State of New Jersey
General Assembly

TUESDAY, January 12, 1971.

At 12 o'clock noon today, Tuesday, January 12, 1971, Assemblyman Albert S. Smith, of Atlantic County, called to order the second annual session of the One Hundred and Ninety-fourth Session of the General Assembly (the twenty-fourth under the Constitution adopted by the people in 1947) by reading the following call:

"This being the second Tuesday of January, the time fixed for the beginning of the Legislative year, the General Assembly of the State of New Jersey is now called to order."

Reverend Canon Herbert R. Denton, Rector, St. Andrew's Episcopal Church, Mount Holly, N. J., lead the opening prayer.

The Speaker led in the Pledge of Allegiance to the Flag.

M. Donald Lang sang the "Lord's Prayer."

Mr. Rinaldi nominated Mr. Walter L. Smith, Jr., seconded by Mr. Policastro, to be temporary chairman.

Mr. Garibaldi moved that the nominations be closed.

Mr. Albert Smith announced and declared Mr. Walter L. Smith, Jr., elected as temporary chairman by voice vote.

Mr. A. S. Smith, Jr., temporary chairman, announced that nominations for Assembly Clerk were in order.

Mr. Raymond nominated Pat Charles, seconded by Mr. Hollenbeck.

Mr. Enos moved that the nominations be closed.

Pat Charles was elected Clerk of the General Assembly, 1971, by the following vote:

In the affirmative were—

S., Smith, W. L., Thomas, Turner, Volk, Weidel, White, Wilson, Woodson—71.

In the negative—None.

The Honorable Judge Edward V. Martino, Judge of the Superior Court, administered the oath of office to the Speaker.

The Speaker, Barry T. Parker, announced that nominations for election of Speaker pro tempore were in order.

Mr. Shusted nominated Mr. Dickey, seconded by Mrs. Fenwick, and further seconded by Mr. Jackman, for Speaker pro tempore.

The Speaker entertained a motion that nominations be closed. Mr. Schluter moved that nominations be closed.

Mr. Dickey was elected Speaker pro tempore for the General Assembly 1971 by the following vote:

In the affirmative were—

Messrs. Azzolina, Black, Brown, Cafiero, Caputo, Cobb, Coleman, Connell, Conwell, Crane, Curcio, Dawes, De Korte, Dennis, Deverin, Enos, Esposito, Evers, Ewing, Fenwick, Florio, Fontanella, Foran, Friedland, Garibaldi, Gavan, Goldfarb, Haelig, Healey, Higgins, Hirkala, Hollenbeck, Horn, Hurley, Irwin, Jackman, Kean, Kiehn, Kravarik, LeFante, Littell, Lordi, Mabie, Macrae, Margetts, McDonough, Merlino, Moraites, Owens, Parker (Speaker), Pfaltz, Policastro, Raymond, Richardson, Rinaldi, Robertson, Russo, Scancarella, Schluter, Shusted, Smith, A. S., Smith, W. L., Turner, Volk, Weidel, White, Wilson, Woodson—68.

In the negative—None.

The Honorable William A. Pascoe, Judge of the Camden County Court, administered the oath of office to Speaker pro tempore William K. Dickey.

The Speaker addressed the General Assembly as follows:

Welcome to the opening session of the 1971 General Assembly of the State of New Jersey.

On behalf of my colleagues, I extend a warm welcome to our honored guests . . . to our wives . . . our children . . . and members of our families who are with us today. Thank you for opening this legislative session with us.

A special note of thanks to all you ladies who grace this ancient House today. My colleagues and I are most grateful for the way in which you have beautified this chamber. I must tell you that you certainly improve the view from this platform.

I assume the position as Speaker of the Assembly with mixed feeling . . . composed of equal parts of pride and humility. We have a tremendous job ahead of us. Our responsibilities are heavy. The need for a productive legislative session is evident. The thought of what we must accomplish this year is indeed humbling.

With this feeling of humility comes pride in having been selected as Speaker by a group of men and women of the highest calibre. I say to the people of New Jersey . . . there is a great deal of talent seated in this House preparing to fulfill their responsibilities to you to the very best of their considerable abilities.

To my colleagues . . . again, I thank you for this honor and this trust. Be assured that I will work diligently and in the spirit of cooperation to help make this a fruitful and productive year.

Last year, as you know, much was accomplished.

Through the efforts of this Legislature, we saw the first coordinated effort to eliminate organized crime in New

Jersey. The New Jersey anti-crime program has been heralded throughout the country.

We also adopted the first Statewide drug abuse reform program in the country . . . a program, by the way . . . which is proving highly effective.

We took the first step towards permanently funding our school system with the implementation of the Bateman Report.

We created the first State Department of Environmental Protection in the country. We passed the Wetlands Bill, and other major environmental protection legislation.

Last year's able Speaker, Assemblyman William Dickey, instituted new rules of floor decorum. We intend to retain . . . and to strengthen . . . these rules. Strict accountability will be followed with regards persons permitted the privilege of this floor. Lobbyists will be expected to register, and to comply with the letter of the laws governing their activities. They may consider that they have been appropriately warned, herewith.

But now we must look to the work ahead of us.

Many of us . . . both in and out of government . . . recognize that not only in New Jersey, but throughout the country, people have lost faith and confidence in their government to an unprecedented degree.

Many feel that Government has lost its relevance. People are frustrated and dissatisfied with many of the institutions, systems, and procedures through which their government works.

Regretably, this dissatisfaction and lack of confidence, expressed vocally by some . . . but felt just as deeply by many more . . . is not without some justification.

Many of our institutions and procedures have become obsolete. They have been made outmoded by new and pressing demands . . . by more critical needs . . . by an increasing and shifting population . . . by our deteriorating environment . . . and by the infinitely greater complexity of life today.

Many feel that our priorities are unrealistic. Others say that solutions to our most urgent problems come too little and too late . . . watered down by political considerations.

Many feel that government is cumbersome and overstructured.

We all recognize that people are dissatisfied . . . that their confidence in the legislative process continues to dwindle.

I know I speak for every member of this Assembly when I say that our first and overriding objective during the coming legislative year is to regain that confidence and trust.

Attainment of this objective demands change . . . new and better ways of performing our legislative function.

One of the most profound changes is embodied in our decision to eliminate completely, the time-worn . . . once useful, but now obsolete caucus system.

Last year, the Majority Party took a significant step towards this end. Fully 80 percent of the bills and resolutions passed by this House by-passed the Majority Party Conference. Instead they were sent directly to committee for consideration . . . and from committee, to the floor of this Chamber. Use of the Majority Party Conference or caucus was confined to major policy legislation.

Last year saw the initial step towards the phasing out of the caucus system used previously by both the Republicans and Democrats in this Assembly.

But last year was merely the first step.

In preparation for this current session, Majority Leader Tom Kean appointed a committee to study further reform of our internal procedures. This committee, under Assemblymen Richard Vander Plaat and Peter McDonough, recommended elimination of the caucus system.

To implement the Vander Plaat-McDonough Committee findings . . . your leadership has replaced the caucus with a stronger . . . more comprehensive . . . and we believe a more effective system of standing Legislative Committees to consider and evaluate proposed legislation.

A chairman has been appointed to each committee. In most instances, the chairman will serve on that committee only.

Each member of this Assembly has been given no more than two committee assignments.

Most committees will be assigned a Staff Legislative Research Assistant. Where appropriate, committees will also be served by a Legislative Budget Analyst.

Each committee has been assigned regular meeting days and times . . . as well as the use of its own committee room here in the State House.

The logistical problems involved in creating the new system have been considerable. We must commend Majority Party Executive Secretary Joseph Gonzalez for his first-rate organizational job. Thanks to his efforts, scheduling conflicts have been minimized.

Members are expected to be present when their committees meet.

Committee chairmen will be charged with the further responsibility of maintaining appropriate records and reports on committee business.

As with any new system, there are bound to be problems. They will be dealt with, when and as they surface.

We are confident nevertheless that the new standing committee system will strengthen the legislative process in this House. Legislators will accomplish more. Bills will be researched and evaluated more thoroughly. Our end product . . . needed new legislation . . . will be upgraded.

The ultimate beneficiaries will be the people of New Jersey.

This is the first of two major steps we will take towards regaining the confidence of the people.

The second is less an internal improvement than an effort to close the gap between the Legislature and the private citizen.

Along with many members of this Assembly, I feel strongly that we must find the means of responding more directly and with more immediacy to people's needs. We must get closer to them . . . in direct working contact with them.

To this end, we are instituting an Assembly Leadership Conference to serve as a communications bridge between the people of New Jersey and this House.

I will serve as Conference Chairman. I have asked Majority Leader Tom Kean . . . and Minority Leader David Friedland, to serve with me. In addition, I ask each of them to appoint a citizen member to the Conference.

The Leadership Conference will sit at regular intervals. We will make ourselves available to groups of citizens from throughout the State who wish to meet with us. We hope to discuss with them, problems which can be solved or mitigated through legislative action.

We will have more to say about the role of the Leadership Conference as we complete the operational details. We feel that the Conference will serve a valuable purpose in relaying information from the people of New Jersey to the members of this Assembly.

Finally, I wish to speak briefly of what I personally conceive to be an unfortunate and even unhealthy trend . . . the fragmenting of our society.

It has become fashionable to speak . . . and even to think of people in terms of fragmented blocs. We speak of the young . . . the old . . . the urban poor . . . the middle-income suburbanite . . . the white collar family . . . the blue collar family.

We refer too easily to the problems of industry . . . the needs of labor . . . the conservative versus the liberal . . . the intellectual versus the hard-hat . . . and all the rest of the over-simplifications by which we divide people.

To my mind, this is a weakening and ineffective approach to meeting the needs and solving the problems of the people of New Jersey. In this House, we are responsible to one group . . . the citizens of the State.

In actuality, these divisions we use with such facility have little meaning. The problems of the cities affect the residents of the suburban and the rural areas. What happens in Newark or Elizabeth has great bearing on the people of Willingboro or Ocean City. The needs of the disadvantaged have impact upon the lives of the more affluent.

There is total interreaction between the people of New Jersey . . . no matter where in the State they live . . . no matter what their income . . . their occupation . . . race or religious belief

I charge the members of this Assembly to bear this in mind as we conduct the people's business this year.

I thank you for your courtesy and attention to these remarks. We have tried to set what many of you have indicated is to be the theme and direction of our work in the coming year.

We must go forward with the time . . . discarding that which is no longer relevant and useful . . . replacing that which we discard with new and better ways of doing things.

We must earn back the faith and trust of the people we serve . . . not with rhetoric . . . not with promises . . . but with prompt and meaningful response to their needs.

Finally . . . as individuals . . . and as members of this House . . . we must help bring together our fragmented and divided society.

We can serve no better purpose.

Thank you.

The Speaker named as his secretary, Mario A. Iavicoli.

Mr. Kean offered the following resolution, which was read by the Clerk and adopted:

Be It Resolved, That the Speaker appoint forthwith a committee of six to wait upon the Governor and inform him that the General Assembly has organized by the election of the Honorable Barry T. Parker, of Burlington County, as Speaker, and Pat Charles, of Camden County as Clerk of the second annual session of the One Hundred and Ninety-fourth Session of the General Assembly of New Jersey, and is now ready to proceed to business.

The Speaker appointed a committee of six, consisting of:

Messrs. John F. Brown, Ocean-Burlington Counties; Kenneth T. Wilson, Essex County; Hugo M. Pfaltz, Union County; James J. Florio, Camden County; Paul Policastro, Essex County and John J. Fay, Jr., Middlesex County.

Mr. Kean offered the following resolution, which was read by the Clerk and adopted:

Be It Resolved, That the Clerk of the General Assembly be directed to inform the Senate that the General Assembly has organized by the election of the Honorable Barry T. Parker, of Burlington County, as Speaker, and Pat Charles, of Camden County as Clerk of the second annual session of the One Hundred and Ninety-fourth Session, and has proceeded to business.

The Senate and General Assembly met in Joint Session.

Senate President Bateman recognized Senate Majority Leader Sears, who moved that the Joint Session come to order, which motion was seconded by Assembly Majority Leader Kean.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 18, 1971.

ASSEMBLY JOINT RESOLUTION NO. 10

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Joint Resolution No. 10 without my approval.

This joint resolution would have endorsed the holding of a closed-course air race in the vicinity of Cape May County Airport during the month of June, 1970. This type of air race is considered dangerous both to the participants and to spectators. The holding of such a race would be contrary to the rules and regulations of the State Department of Transportation and the policy of the State regarding such races.

In view of these factors, and the fact that the dates referred to in the Assembly joint resolution have passed, I feel constrained to return this legislation without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 18, 1971.

ASSEMBLY BILL NO. 831 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 831, without my approval, for the following reasons:

Assembly Bill No. 831 would amend N. J. S. A. 2A:170–92.1 so as to provide that any landlord who threatens or takes reprisals, including the refusal to renew a lease, against a tenant for being an organizer of, a member of, or involved in any activities of any organization, is guilty of a disorderly person's offense.

The proponents of this measure have indicated that their primary desire in this legislation is to protect tenants against the demands and actions of certain landlords who seek to reap unfair advantage from the recognized housing shortage which we have in New Jersey today. I am of the opinion that the tenant would be better protected by a strengthening of his civil remedies. Therefore, a substitute proposal, Assembly Bill No. 1204, was introduced with my full support and upon passage was signed into law by me, becoming Chapter 210 of the Laws of 1970.

I am therefore returning Assembly Bill No. 831, without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Secretary to the Governor.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 25, 1971.

ASSEMBLY BILL NO. 1317

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1317, with my objections for reconsideration.

Assembly Bill No. 1317 represents the legislative response to the adoption of an amendment to Article VIII, Section I, paragraph 4 of the New Jersey Constitution, which authorized the liberalization of the senior citizens' tax deduction. The constitutional amendment, adopted in November 1970, authorizes an increase in the maximum deduction from $80 to $160 per year and provides that the State shall reimburse annually each taxing district in an amount equal to one-half of the tax loss to the district resulting from the allowance of tax deductions to senior citizens. The amendment further provides that social security benefits shall not be included in determining the amount of income which a senior citizen might earn and still be entitled to the deduction.

Assembly Bill No. 1317 was amended by the Senate to enlarge the definition of "social security benefits" to include all benefits payable by the Federal government in lieu of social security benefits, including benefits payable under the Federal Railroad Retirement Act. I have been advised by the Attorney General that this amendment goes beyond the provisions of the constitutional amendment and is, therefore, not valid.

I recognize the importance of providing additional tax relief for the senior citizens of our State, and I support the concept of Assembly Bill No. 1317 which would provide this additional relief. I further support the desire to permit those retired senior citizens who do not receive social security benefits but receive benefits under governmental retirement laws in lieu of social security benefits to exclude such other benefits from income to determine eligibility for the deductions. However, this can only be accomplished by further amendment of our State Constitution. I urge you to consider adoption of a concurrent resolution calling for a constitutional amendment to allow persons who have retired under Federal and State pension programs and railroad retirement programs which are in lieu of social security benefits to exclude payments under such retirement plans from their income in determining their eligibility for the senior citizens' tax deduction.

In order to make the increased deduction available during 1971, I have determined that Assembly Bill No. 1317 should be adopted in its original form and that upon further amendment of the Constitution, the law can then be changed to take into account those persons who receive Federal or State pensions in lieu of social security benefits.

Finally, I have determined that a technical amendment is necessary to establish the procedure for reflecting the State's reimbursement for one-half of the senior citizens' tax deductions on the abstract of ratables which forms the basis of the real estate tax levy.

Accordingly, I herewith return Assembly Bill No. 1317 for reconsideration and recommend that it be amended as follows:

Page 2, Section 1: Delete lines 26 through 39.

Page 2, Section 1, Line 40: Delete "(g)" and insert "(f)".

Pages 3 and 4, Section 6: Delete lines 13 through 19 and insert:

"6. For the tax year 1971 and each year thereafter, each county board of taxation shall include in the abstract of ratables prepared pursuant to R. S. 54:4–52 the full estimated amount of the senior citizens' tax deductions as provided for in this act, but only one-half of said amount shall be included in the total on which the tax rate is to be computed."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.
Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
February 8, 1971.

ASSEMBLY BILL NO. 424

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 424, without my approval.

Assembly Bill No. 424 would permit any surrogate to appoint from among the employees in his office additional special deputy surrogates. The statute presently provides for the appointment of one special deputy surrogate. The appointment of additional special deputy surrogates would appear to be unwarranted since the only duties provided for by statute are those which would evolve in the absence of the surrogate and the deputy surrogate.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,

ASSEMBLY BILL NO. 426

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 426, without my approval.

Assembly Bill No. 426 would increase the maximum sum to be paid to a special deputy surrogate over and above his regular salary from $1,000 to $2,000 in all counties except those of the first class where the maximum would be raised from $2,000 to $3,000. As I stated in my Veto of Assembly Bill No. 424, the statutory duties of a special deputy surrogate would not appear to warrant an addition to their number. For the same reason, I am not in favor of increasing any additional remuneration which they may receive apart from the normal salary structure.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,

ASSEMBLY BILL NO. 624

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 624, without my approval, for the following reasons.

Assembly Bill No. 624 would amend R. S. 48:2–13 so as to eliminate from the jurisdiction of the Board of Public Utility Commissioners an autobus with a carrying capacity of 20 passengers or less when operated under municipal consent upon routes established within not more than four contiguous counties in a county of the fifth class. The bill did not provide for inspection of such vehicles in the interest of safety, nor consider the desirability of increasing certain minimum insurance requirements for such vehicles.

A substitute proposal, Senate Bill No. 773, was introduced which took into consideration the inspection requirement and raised the amount of necessary minimum insurance on such vehicles. Upon passage, it was signed into law by me, becoming Chapter 16 of the Laws of 1971. The provisions of this bill would also conflict with Chapter 40 of the Laws of 1970.

I am therefore returning Assembly Bill No. 624, without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
February 8, 1971.

ASSEMBLY BILL NO. 689

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 689, without my approval.

Assembly Bill No. 689 would change the date on which the mayor shall submit to the council his recommended budget, together with such explanatory comment or statement as he may deem desirable, from January 15 to January 25.

I am opposed to the concept of this bill. The mayor is presently required to submit his budget to the council on January 15. The council in turn must review and possibly revise the budget as submitted which must then be introduced and approved not later than February 10 pursuant to N. J. S. 40A:4–5. By moving the starting date for consideration by the council of the budget without moving the final budget approval date at the same time, they would be placed under more pressure to accomplish a thorough review than presently exists.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.
Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

ASSEMBLY BILL NO. 697

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 697, without my approval.

As to all sales of tax certificates made prior to July 3, 1956, Assembly Bill No. 697 would extend the time during which a tax sales certificate holder who has not secured a final judgment of foreclosure could request extension of time to secure such judgment. It would appear to be of doubtful value to allow the holder of a tax sales certificate which is at least 14 years old to seek an extension of time for securing a judgment of foreclosure on the lien. The interests of municipalities may best be served by resolving questions of title to property within their borders with as reasonable dispatch as possible.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

ASSEMBLY BILL NO. 916 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 916 (OCR), without my approval.

Assembly Bill No. 916 provides that the term of a new mayor or councilman-at-large hereafter elected shall be for four years.

There is merit in the proposal to extend the terms of elected municipal officials. However, in my opinion, Assembly Bill No. 916 is not the appropriate vehicle for achieving the end result. There are many forms of municipal government, each unique unto itself. A general provision of this nature would only result in confusion regarding its application.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

The following conditional veto message was received from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
February 8, 1971.

ASSEMBLY BILL NO. 77 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 77 (OCR), with my objections, for reconsideration.

Assembly Bill No. 77 (OCR) would permit a municipality to compel an owner of any real property to remove any ice or snow from any privately owned street. This proposal would be applicable to an owner of a multiple dwelling housing development containing five families or more. The concept of this bill is meritorious and provides a practical solution to the problems which exist in some municipalities during snow storms.

The legislation is intended only to apply to private streets in apartment complexes and, therefore, in order to further clarify applicability and to promote consistency in the law, I am suggesting amendments—one regarding the definition of multiple dwellings as used in this bill so that it conforms to that used in the Hotel and Multiple Dwelling Inspection Law, P. L. 1967, c. 76.

I am, therefore, returning Assembly Bill No. 77 (OCR) with the following suggestions:

Page 1, Section 1, Line 2: After "of" delete "any" and insert "certain".

Page 1, Section 1, Lines 23 and 24: After "cable" omit in its entirety and insert "only to the owner of real property on which there has been constructed a multiple dwelling housing development containing three or more units of dwelling space which are occupied or are intended to be occupied by three or more persons who live independently of each other."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the messages be spread in full upon the minutes.

Which motion was adopted.

On motion of Mr. Healey, Assembly No. 77 was given first reading for the purpose of reenactment in accordance with the Governor's recommendations.

On motion of Mr. Haelig the rules were suspended and Assembly No. 77 was advanced to second reading by special order, and amended in accordance with the Governor's recommendations, which amendments were adopted by voice vote.

The following conditional veto message was received from the Governor:

February 8, 1971.

ASSEMBLY BILL NO. 845

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 845, with my objections, for reconsideration.

Assembly Bill No. 845 would provide that the tax per gallon on liquified petroleum gas and liquified natural gas used in motor vehicles on our public highways shall be one-half the tax applicable for other motor vehicle fuels pursuant to R. S. 54:39–27. This preferential tax treatment should serve as an incentive for the development of engines, now largely experimental, which use motor fuels other than gasoline and which will significantly reduce certain pollutant emissions below levels resulting from the use of gasoline. It should be noted, however, that engines also are being tested which use compressed natural gas as fuel. In order to further the search for motor fuels which would not pollute the environment, I believe that compressed natural gas should be entitled to the same tax treatment as liquified natural gas and liquified petroleum gas.

Accordingly, I herewith return Assembly Bill No. 845 for reconsideration and recommend that it be amended as follows:

On page 1, section 1, line 2, after "liquified" insert "or compressed".

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

On motion of Mr. Evers, Assembly No. 845 was given first reading for the purpose of reenactment in accordance with the Governor's recommendations.

The following communication was sent to the desk and read by the Clerk:

To: Members of the New Jersey Assembly.

From: Richard J. Vander Plaat, Chairman Task Force on Urban Problems.

Submitted herewith is the report of the Task Force on Urban Problems as provided for in Chapter 326, Laws of 1970.

The Task Force met in the State Offices in Newark on February 10, 1971 and organized as follows:

Chairman—Richard J. Vander Plaat.

Vice-Chairman—Gerald D. Hall.

Secretary—Dr. Ernest Reock.

A general discussion was held by the members of the Task Force to determine the exact functions of the Task Force and to establish a framework of general policy for the Task Force's operation.

The Task Force had received a request from both the Mayor's office and from members of the City Council to meet for a preliminary, informational discussion and that meeting was held during the afternoon session.

The final conclusion of that meeting was that the Task Force wanted it clearly understood that we were not to be used for any kind of a pressure group by the city and that the Task Force recognizes the responsibility of the elected officials to administer the city and we would not interfere in anyway with the operation of city government. We offered our assistance to help in anyway with advice and we asked the cooperation of the city in helping us gain the necessary information required to comply with the provisions of the law.

The next meeting of the Task Force will be held on March 5, 1971 at 1:30 p.m. at the State Offices in Newark.

Mr. Kean moved that the communication be received and filed.

Which motion was adopted.

The Clerk then caused to be placed upon the desk of each Assemblyman a copy of the foregoing communication.

ASSEMBLY BILL NO. 263

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 263 without my approval.

Assembly Bill No. 263 would require persons engaged in the business of renting or leasing motor vehicles to procure from each lessee an affidavit stating that he does not intend to employ or permit the use of the leased vehicle to transport unstamped cigarettes unlawfully within New Jersey. Under the bill, any person who gives such an affidavit and so employs or permits the use of the leased vehicle would be guilty of a misdemeanor. In addition, the bill would preclude the lessor of the vehicle from denying knowledge that the vehicle was to be used to transport cigarettes illegally if he failed to obtain the required affidavit.

After careful review, I have concluded that the bill will not materially increase the effectiveness of efforts to eliminate illegal traffic in cigarettes in New Jersey. Conversely, it would impose a great burden upon both lessors and lessees of motor vehicles. Since the benefit to be gained is slight and the burden incurred is great, I have determined that this bill should not be approved.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*

Acting Secretary to the Governor.

ASSEMBLY BILL NO. 771

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 771 without my approval.

The bill directs the Board of Trustees of the Public Employees' Retirement System to obtain or provide credit life or disability insurance at the request of a member in connection with a loan from the Retirement System. The premium therefor would be deducted by the Board from the proceeds of the loan.

The bill contains no guidelines as to the minimum or maximum amount of coverage. Presently, more than 20,000 loans are processed each year through the Public Employees' Retirement System. Members may borrow as little as $50 and two loans are permitted during the course of a year. The volume of insured loans would be most substantial.

Further, the nature and extent of disability to be insured against is not defined. It must, thus, be construed as extending to temporary or permanent and partial and complete disability. Claim procedures would become complicated.

Administration of such a program as this on an optional basis at the discretion of the members of the Public Employees' Retirement System would create a great administrative burden on the Board of Trustees of the Public Employees' Retirement System and on the Division of Pensions in the Department of the Treasury. It would have an adverse effect upon the rate of interest at which member loans could be granted and further, it would lengthen the time required to process all loans.

Therefore, I herewith return Assembly Bill No. 771 without my approval.

Respectfully,
[SEAL] /s/ WILLIAM T. CAHILL,
Governor.
Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

ASSEMBLY BILL NO. 835

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 835, without my approval, for the following reasons.

Assembly Bill No. 835 would exempt from regulation or licensing all temporary help service agencies. Presently, these part-time help agencies are regulated under the State's Private Employment Agency Laws, and such regulation has been upheld by judicial decision.

While there may well be some distinctions between a temporary help service agency and a true employment agency, nevertheless, it is my belief that this type of service or agency should be regulated in the interest of protecting the public from abuses. I can see no strong public interest in removing this type of agency from licensing jurisdiction.

It may very well be that some of the provisions of the Private Employment Agency Laws do not make complete sense when applied to temporary help services. However, without some form of regulation, temporary employees would have little recourse or protection. A blanket exemption from regulation by the Department of Labor and Industry over industries which deal with a large number of part-time employees who may or may not find employment with ease would leave a void which should not exist until a shocking experience demanded and brought precipitous legislative outcry and action. It is my firm belief that the Department of Labor and Industry has provided a valuable service to both the employers and employees of this State by providing a forum for recourse and in regulating this field of service.

I would be willing to consider appropriate legislation which dealt with such specific areas, providing the public interest were adequately protected.

I am, therefore, returning Assembly Bill No. 835 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.
Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the messages be spread in full upon the minutes.

Which motion was adopted.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,

ASSEMBLY BILL NO. 230
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 230 [Official Copy Reprint], with my recommendations for reconsideration.

This bill requires that all used motor vehicles sold by motor vehicle dealers at retail to be registered in New Jersey shall comply with Division of Motor Vehicles inspection standards. Tires are excluded. In the event of a failure to pass inspection, the seller would be obligated to make or cause to be made the necessary repairs without charge to correct any defects not caused by the purchaser. In lieu of this, the seller would be required to return the full purchase price. Waiver of the dealer's obligation herein may only be accomplished by a waiver contained in a separate provision of the sale agreement, which waiver must be separately signed by the purchaser.

I am completely in accord with the policy that purchasers of used cars for registration in New Jersey should receive cars capable of passing our motor vehicle inspection. This guarantee should also extend to the tires of these used cars. Under regulations recently promulgated by the Director of the Division of Motor Vehicles, pursuant to Chapter 129 of the Laws of 1970, passenger car tires are rejected in inspection if the tread depth is less than $\frac{2}{32}$ of an inch. This measurement is made at specific locations by use of a special type tread depth gauge. The average purchaser of a used automobile cannot inspect the tires with sufficient accuracy to insure that they will pass inspection. I feel this necessary protection should be extended to purchasers of used cars.

Under our new self-inspection program, owners of trucks and trailers maintain their own inspection program. These vehicles should be excluded from the application of this bill and it should be limited to passenger cars.

I would also suggest that the effective date of the bill be changed from January 1, 1971, to a date 30 days after enactment. This would provide sufficient time for compliance with the requirements of this legislation.

Accordingly, I herewith return Assembly Bill No. 230 [Official Copy Reprint] for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 2: After "used" insert "passenger".

Page 1, Section 1, Line 4: After "vehicle," delete "exclusive of tires,".

Page 1, Section 2, Line 1: After "used" insert "passenger".

Page 1, Section 2, Line 2: After "defect," delete "exclusive of tires,".

Page 1, Section 3, Line 2: After "used" insert "passenger".

Page 2, Section 6, Line 1: After "effect" delete "January 1, 1971" and insert "30 days after enactment".

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

On motion of Mr. Hollenbeck Assembly No. 230 was given first reading for the purpose of reenactment, with the Governor's recommendations.

Assembly No. 230 was given second reading by Special Order, and amended in accordance with the Governor's recommendations, and on motion of Mr. Hollenbeck the amendments were adopted.

The Clerk read the following message from the Governor:

ASSEMBLY BILL NO. 302
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 302 [Official Copy Reprint], with my objections, for reconsideration.

This bill would require that any school bus which has been painted chrome yellow would have to be repainted a distinctively different color when it was no longer used for transportation of children to and from school.

I agree with the intent of this bill, however, I feel some of the language used should be clarified. The definition of "school bus" in the statutes is, at best, unclear. Rather than use this term in the bill, I suggest language be substituted which would be in accord with regulations promulgated by the Department of Education. These deal with motor vehicles having a capacity of more than 16 passengers used for transporting school children. While the bill is limited to transportation of children to or from school, recent amendments to the education laws have broadened this term to include transportation to a day camp and other school connected activity. I feel the language of the bill should be similarly broadened.

Further, the bill uses the color "chrome yellow", whereas the appropriate color is "National School Bus Chrome".

Finally, the wording of the bill is unclear insofar as it would apply to the situation where one of these buses would be retained by the owner but used for purposes other than the transportation of school children. This should be covered more explicitly. Since these suggested changes are quite extensive, I recommend that the bill be completely rewritten. Accordingly, I herewith return Assembly Bill No. 302 [Official Copy Reprint] for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Lines 1-10: Delete in its entirety and insert a new Section 1 as follows:

"1. No motor vehicle with a capacity of more than 16 passengers shall be painted National School Bus Chrome, unless that vehicle is used to transport children to or from school, or a summer day camp, or any school connected activity.

Whenever any motor vehicle with a capacity of more than 16 passengers, which has been used for the transportation of children to or from school, or a summer day camp, or any school connected activity, is no longer used for these purposes, it shall be repainted a color distinctively different from National School Bus Chrome."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 530
[SECOND OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 530

[Second Official Copy Reprint], with my objections, for reconsideration.

This bill would amend existing law to provide penalties for persons giving false fire or police alarms. It would also provide for new and separate offenses and penalties where bodily injury or death results from a false alarm and where any person tampers with or impairs public fire alarm equipment.

Conviction on a first offense of giving a false fire or police alarm would result in a mandatory minimum sentence of either a fine of $100 or imprisonment for 30 days with a maximum fine of $250 or 90 days imprisonment, or both. Subsequent convictions therefor would carry a mandatory minimum penalty of either a $250 fine or three months imprisonment with a maximum fine of $500 or six months imprisonment, or both. Where bodily injury or death results from a false fire alarm, the person giving, aiding or abetting the same would be guilty of a misdemeanor and would receive a mandatory minimum penalty of either a fine of $1,000 or imprisonment for one year with a maximum fine of $3,000 or five years imprisonment, or both. Any person tampering or interfering with or impairing any public fire alarm equipment would be guilty of a misdemeanor and would be subject to the same mandatory sentences as provided in the case of injury or death resulting from a false fire alarm.

I am completely in accord with the intent of this bill to provide stringent penalties for those who give false fire or police alarms or who tamper with or impair public fire alarm equipment, especially where injury or death result therefrom. I am troubled, however, with the mandatory sentences which are required by this bill. Insofar as they prohibit judges from exercising discretion in matters of sentencing, I must oppose them. While mandatory sentences may be appropriate in limited instances, generally, they reflect a lack of confidence in our Judiciary.

It is my recommendation that Assembly Bill No. 530 [Second Official Copy Reprint] be amended to delete all requirements for mandatory minimum sentences. This will permit the exercise of judicial discretion and result in a more reasoned administration of justice.

Accordingly, I herewith return Assembly Bill No. 530 [Second Official Copy Reprint] and recommend that it be amended as follows:

Page 1, Section 1, Line 7: Delete "less than $100.00 nor".

Page 1, Section 1, Lines 8-9: Delete "less than 30 days, or".

Page 1, Section 1, Line 11: Delete "less than 3 months nor".

Page 1, Section 1, Line 13: Delete "less than $250.00 nor".

Page 1, Section 2, Line 5: Delete "less than 1 year nor".

Page 1, Section 2, Line 6: Delete "less than $1,000.00 or".

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
February 16, 1971.

ASSEMBLY JOINT RESOLUTION NO. 14

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Joint Resolution No. 14 without my approval.

Assembly Joint Resolution No. 14 would have designated May 3 to May 9, 1970 as "Be Kind to Animals Week" in New Jersey. However, this resolution was not finally approved by the Legislature until May 7, 1970, and its approval by me at that time would have detracted from the intent of celebrating the week beginning May 3 as "Be Kind to Animals Week".

Accordingly, I am returning this joint resolution to the Assembly without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 434

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 434, with my objections, for reconsideration.

This bill would provide that any person who at the time of arrest for car theft or burglary of a car knowingly possesses a motor vehicle master key or similar device designed to operate a lock or start the ignition of a motor vehicle knowing the same to be adapted or designed for such purpose with intent to use such master key or device to steal said motor vehicle or to steal property therefrom is guilty of a high misdemeanor.

The penalty for a high misdemeanor is a fine of not more than $2,000 or imprisonment for not more than seven years, or both. The intent of this bill is most desirable in that it would aid in the prosecution for auto theft and would discourage the use of master keys or similar devices for such thefts. The present form of the bill, however, contains language which would unduly restrict its effectiveness. Possession of such a master key or similar device "at the time of arrest" serves no useful purpose. It may have no relationship to possession at the time the theft or burglary occurred. The terms "knowingly possesses", "knowing the same to be adapted or designed for such purpose", "with intent to use . . . for that purpose" render the bill extremely difficult to enforce and would limit its usefulness. I would recommend the bill be amended to relate possession of the master key or other similar device directly to the theft or burglary and also to avoid any reference to these specified limiting terms. In this manner, mere possession in connection with a car theft or burglary of a car would constitute the offense.

Accordingly, I herewith return Assembly Bill No. 434 for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 1: After "who," delete "at the time of arrest for" and insert "commits or attempts to commit"; after "theft or" delete "for".

Page 1, Section 1, Line 2: After "car," delete "knowingly possesses" and insert "while having in his possession".

Page 1, Section 1, Lines 6-8: After "from," delete "knowing the same to be adapted or designed for such purposes, with intent to use or employ or allow the same to be used for that purpose,".

ASSEMBLY BILL NO. 466

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 466, with my objections, for reconsideration.

This bill would increase the penalty for abandoning motor vehicles from the present maximum of $100 fine to a mandatory fine of not less than $100, nor more than $500. A new six month mandatory suspension of driving privileges by the Director of the Division of Motor Vehicles is also provided for this violation.

While I am acutely concerned about the serious problems caused by abandoned junk vehicles on our streets and other public and private property, I do not feel that the abandonment of a motor vehicle is the type of offense which should result in a mandatory suspension of driving privileges. This severe penalty should be limited to offenses such as driving under the influence of intoxicating liquor or while ability is impaired. In these instances, it is a proper driver improvement measure. The increase in fines provided in this bill seems to me to be ample punishment for the violation. Suspension of driving privileges should be left to the discretion of the Director.

Accordingly, I herewith return Assembly Bill No. 466 for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 18: After "privilege" delete "shall" and insert "may".

Page 1, Section 1, Lines 18-19: After "suspended" insert "or revoked".

Page 1, Section 1, Line 19: After "not" delete "less than 6 months nor".

Page 1, Section 1, Line 22: After "privilege" delete "shall" and insert "may"; after "suspended" insert "or revoked".

Page 1, Section 1, Line 23: Delete "less than 2 years nor".

Respectfully,

ASSEMBLY BILL NO. 625
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 625 [Official Copy Reprint], with my objections, for reconsideration.

This bill would permit producers of agricultural commodities to determine by referendum whether their particular commodity should be governed by marketing programs pursuant to rules and regulations issued by the Secretary of Agriculture. These marketing programs would permit individual producers and others to cooperate in research, development and sales promotion programs. Expenses of administration, advertising and sales promotion would be provided by producer assessments.

This bill requires some clarification and technical changes. I am advised that it is intended to exclude from the provisions of any such marketing program those producers who do not meet such minimum volume production requirements as may be established by the Secretary of Agriculture. I have recommended language so that this intention will be expressed more clearly. In addition, in amending the bill to replace the term ''marketing order'' with the term ''marketing program'' certain inconsistencies in the interchange of these terms developed. I have recommended amendments so that these terms will be used properly and more uniformly.

Accordingly, I herewith return Assembly Bill No. 625 [Official Copy Reprint], for reconsideration and recommend that it be amended as follows:

Page 2, Section 3, Line 7: Delete ''order'' and insert ''program''.

Page 2, Section 3, Line 43: Delete ''order'' and insert ''program''.

Page 6, Section 13, Line 16: After ''referendum'' insert ''and to delineate those producers subject to the provisions of this act''.

Page 6, Section 13, Line 17: After ''voting in'' insert ''and application of''.

Page 7, Section 17, Line 4: After ''shall be'' delete ''demed'' and insert ''deemed''.

Page 8, Section 20, Line 20A: After ''assessment and'' delete ''program'' and insert ''order''.

ASSEMBLY BILL NO. 680

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 680, for reconsideration.

This bill would update and modernize the present law to take into account modern aviation conditions, including the use of helicopters. It also provides for the change in reference from the former State Aviation Commission to the Department of Transportation and the Commissioner thereof.

Although I am in accord with the general intent of this bill, I do not agree that one class of pilots, those for rotary wing aircraft, should be treated differently than other classes of pilots when the federal requirements are accepted as a basis for licensing of all other classes of pilots.

Accordingly, I herewith return Assembly Bill No. 680 for reconsideration and recommend the following changes:

1. Page 3, Section 2, Line 10: Delete ", except those pilots who have applied to and".

2. Page 3, Section 2, Lines 11-12: Delete in their entirety and insert "shall".

3. Page 3, Section 2, Line 15: After the word "certificates" insert "or licenses".

4. Page 3, Section 2, Line 19: Delete "minimum qualifications, tests and evalua-".

5. Page 3, Section 2, Lines 20-21: Delete in their entirety and insert "and requirements or minimum requirements for the use of".

6. Page 3, Section 3, Lines 5-6: Delete "except a temporary landing area for rotary wing aircraft,".

7. Page 4, Section 3, Line 11: After "aircraft" insert "approved by the Commissioner".

8. Page 4, Section 4, Lines 6-7: Delete "the licensing of pilots requesting authority to use."

ASSEMBLY BILL NO. 1145
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1145 [Official Copy Reprint], with my objections, for reconsideration.

This bill provides that students who remain in, refuse to leave, or who return to buildings, places or structures used for educational purposes during a period when they have been suspended, expelled or given notice to leave shall be guilty as disorderly persons. It further provides that parents or legal guardians of such students and representatives of students or student groups who remain upon or return at such premises after having given notice to leave will also be guilty as a disorderly person.

I am fully in accord with the purpose of this bill. However, it contains certain technical defects which should be corrected. The bill does not provide who is authorized to give notice of orders to leave the property used for educational purposes. This responsibility should rest with the superintendent of schools or the chief school administrator. Further, the bill does not technically permit the return of parents or representatives of student groups to the premises even with permission once they have been notified to leave. I suggest these persons be authorized to return to the premises with the permission of the superintendent of schools or the chief school administrator.

Accordingly, I herewith return Assembly Bill No. 1145 [Official Copy Reprint] for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 7: After "premises" insert "without permission".

Page 1, Section 1, Line 9: After "person." insert a new paragraph as follows:

"Any notice or order to leave the premises or permission to return to the premises to be effective for the purposes of this act shall be given by the superintendent of schools or the chief school administrator."

Respectfully,

Governor.

ASSEMBLY BILL NO. 702

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 702 with my objections, for reconsideration.

Assembly Bill No. 702 would amend the Advance Loan Law of 1968 in several respects, the most important of which specifically would include under the act "non-cash" advance loans which constitute bank credit card operations such as Master Charge and Bank Americard. Such credit cards are used to purchase merchandise and services from merchants who participate in the credit card program. Banks in New Jersey have been offering credit card services to their customers for some time and have done so pursuant to the provisions of the Advance Loan Law of 1968, even though such credit card operations are not specifically referred to in the act. Assembly Bill No. 702 makes it clear that credit card operations are subject to the provisions of the Advance Loan Law and, therefore, appropriate regulation by the Department of Banking. I concur in legislation to make it clear that bank credit card systems are subject to regulation. However, I cannot approve Assembly Bill No. 702 in its present form because it would, in effect, raise the interest rate on credit card advance loan transactions from 1% to 1½% per month. I recognize that the use of credit cards is becoming more and more popular in New Jersey. The banks which operate credit card systems provide convenience and immediate availability of credit to their customers. These systems also aid the small businessman who would not otherwise be able to compete with the large department stores which maintain their own revolving credit systems. However, I am not convinced that an increase in interest rates at this time is necessary to insure the continued availability of credit cards to those citizens who desire them.

Many advantages accrue to those banks which engage in this activity. For instance, in addition to receiving interest at an annual rate of 12% from the credit cardholders, the banks also receive a percentage of the sales made by merchants who participate in the credit card system. Moreover, the banks in the past have provided credit cards in order to attract and hold customers for their other bank services. Banks have profited greatly during the current period of high interest costs and should be willing to continue to provide credit card services at the present interest rate level, especially now, when the cost of borrowing is finally beginning to come down.

In addition, Assembly Bill No. 702 would also raise, from 1% to 1¼% per month, the maximum interest rate for all advance loans other than the credit card-type loans discussed above. I am not convinced that this increase is warranted at this time, especially in light of the declining level of interest rates to which I have referred above.

Therefore, I am returning Assembly Bill No. 702 with certain recommended amendments which will carry out the intent to bring bank credit card operations under the law, but which will not authorize any increase in the maximum interest rate for advance loans. As a final amendment to the bill, I recommend that Section 8 be eliminated because this section deals with liability for the unauthorized use of a bank credit card. The unauthorized use of credit cards is covered by Senate Bill No. 633, which I also am returning to the Legislature with recommendations for consideration.

Accordingly, I herewith return Assembly Bill No. 702 for reconsideration and recommend that it be amended as follows:

Page 1, Section 1. A., Line 18: After "advance loan borrowers." Insert " 'Cash advance loans' are advance loans made by a bank, in which the advance loan borrower receives as net proceeds from the loan, cash or credit to a deposit account maintained in the bank in the name of the advance loan borrower."

Page 5, Section 5, Line 4: Delete "(a) 1¼%" and insert "1%".

Page 6, Section 5, Line 5: After "advance loan" insert "."

Page 6, Section 5, Lines 6 through 12: Delete from line 6 beginning "upon which the bank" through line 12 "of such loan."

Page 6, Section 6, Line 10: After "greater." insert "]"

Page 6, Section 6, Line 13: Delete ", except that, when" and insert ". A bank may collect a service charge from each advance loan borrower for each billing cycle in which any part of a cash advance loan remains unpaid. Such service charge shall not exceed a sum equal to (a) the number of cash advance loans made to such borrower during such billing cycle multiplied by $0.25, or (b) $0.50, whichever is the greater. When"

Page 6, Section 6, Line 13: After "all advance loans" insert "other than cash advance loans"

Page 6, Section 6, Line 17: After "not exceeding $0.50" insert "with respect to such other advance loans."

ASSEMBLY BILL NO. 251
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 251 [Official Copy Reprint] without my approval.

This bill would require that there be present in each emergency room at each hospital in this State at least one person on the staff of the hospital who speaks and understands the English language.

Present rules and regulations of the Department of Institutions and Agencies require in each hospital emergency room the presence of a qualified employee authorized to act for the hospital, and around-the-clock services of a physician or physicians who are either resident physicians or staff physicians serving on an on-call basis. In view of this, and the fact that foreign national doctors are required to pass a test showing their competence in the English language, this bill would appear unnecessary and superfluous. I note also that the only significant portion of the bill, which would have required that such staff member be capable of interpreting the language of the licensed medical practitioner in charge of the emergency receiving room, was deleted from the bill by amendment. In addition, the phrase "person on the staff" is not defined and might well be construed as broad enough to include any person working for the hospital, such as a receptionist, who may not be familiar with medical terminology.

I am, therefore, returning Assembly Bill No. 251 [Official Copy Reprint] without my approval.

ASSEMBLY BILL NO. 310

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 310, without my approval.

This bill would purport to abolish the existing position of Referee in Workman's Compensation and reclassify those in that position to Judges of Workman's Compensation. Although I recognize that there are certain restrictions on the jurisdiction and work of the Referees in compensation, this bill does not take into effect the fact that Judges of Workman's Compensation must be attorneys at law as required by R.S. 34A:1A–12.1. Since there is no saving provision in Assembly Bill No. 310, the present three Referees who are not attorneys, out of a total of twelve, would no longer have a position upon enactment of this bill.

In addition, I am greatly concerned by the fact that if this bill were signed into law, those nine remaining Referees would receive salary increases of approximately 100%. I am convinced that the present policy of the Departments of Labor and Industry and Civil Service to upgrade administratively the present Referees to the positions of Judges of Workman's Compensation is preferable. This will permit the eventual phasing out, administratively, of the present position of Referee, Workman's Compensation.

I am, therefore, returning Assembly Bill No. 310 without my approval.

Respectfully,

ASSEMBLY BILL NO. 425

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 425, without my approval.

This bill would waive the rights of reversion or reentry for breach of condition contained in a deed recorded in the county recording office unless the person having such rights or his heirs or assigns records an instrument indicating an intention to preserve said rights prior to the expiration of 20 years from the date of recording of the deed. Where any such deed has been recorded for 20 years or more prior to the effective date of this act, the recording of an instrument to preserve said rights shall be accomplished within one year after the effective date of this act. The bill would further provide that the instrument intending to preserve said rights shall be recorded and indexed in the books used for recording deeds in the county under the name of the person having the right of reversion or reentry and also under the name of the person or persons actually executing the instrument as grantors.

While this bill is apparently intended to solve some title problems and simplify the search procedure in the acquisition of land, it raises more questions than it answers. The bill as drafted would apply to the U.S. Government, the State of New Jersey, and its subdivisions. Ordinarily, the Federal and State Governments are immune from statutes of limitations. If this were the only problem with the bill, it could be amended to exclude the U.S. and the State of New Jersey from applicability. However, several other questions are raised by this bill.

The question of applicability of the bill where a breach of the covenant has already occurred is indefinite. Similarly, it is not clear whether the bill would apply if the person entitled to enter the property upon breach of condition is already in possession.

The period of time during which an infant or incompetent must file the instrument to preserve his rights is not covered. Normally, these disabilities would toll the running of the statute. Adequate notice may require a description of the land and the terms of the condition creating the rights. Further, since New Jersey is committed to a chain of title notice theory, a person is generally not charged with notice of facts outside his chain of title. It would be most appropriate if the instrument to preserve the rights of reversion or reentry was required to contain the name of the present owner or the name of the person in whose name the property is assessed when the instrument is recorded. These requirements would assist a title searcher in discovering the recording of the instrument to preserve the said rights. The bill, unfortunately, is silent in this regard.

With regard to the situation where the 20 year period has already expired prior to the effective date of this act, it is most doubtful that a one year period is sufficient time within which to record the instrument.

Constitutional questions may also be presented by the retroactive effect of this legislation. Such a feature may be construed as impairing the obligations of contracts or depriving the owner of property without due process of law.

These questions thus presented would have a most unsettling effect on the laws of conveyancing and the procedure for searching title. I am, therefore, returning Assembly Bill No. 425 without my approval.

ASSEMBLY BILL NO. 480

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 480 without my approval.

This bill would include full-time active municipal police officers and county park police officers in the definition of "law enforcement officer" in the Public Employees' Retirement System. It has the practical effect of requiring municipalities and park commissions whose pension systems are not in the Police and Firemen's Retirement System to provide increased benefits based upon the so-called "law enforcement officer formula". The increased benefits would be equal to those provided in the Police and Firemen's Retirement System.

Under existing law, a means is afforded to municipalities and counties to provide such increased benefits to members of their police departments. They may adopt the provisions of the Police and Firemen's Retirement System by local referendum. I am advised that some 286 municipalities and county park commissions are affected by this bill. They would be required to provide and fund these additional benefits even though they have not chosen to do so themselves. This would approximately double their pension costs for these officers.

I do not agree that we should substitute legislative fiat for the option for local self-determination which is specifically provided for in this area. Further, I feel that the Police and Firemen's Retirement System is the proper retirement program for police officers.

Therefore, I herewith return Assembly Bill No. 480 without my approval.

Respectfully,

ASSEMBLY BILL NO. 491

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 491 without my approval.

This bill would require municipal court clerks to notify the owner of a vehicle whenever any other operator thereof is issued a summons as the result of an accident or moving violation. Notice to the owner would be by certified mail, return receipt requested.

While it would be beneficial to owners of vehicles to be informed of such violations caused by persons to whom they have entrusted their vehicles, practical considerations prevent me from signing this bill. Approximately 650,000 of such complaints are filed annually with the courts. The cost and additional clerical work required in segregating, duplicating and mailing copies of summonses to the owners would unduly burden the municipal courts.

This information can presently be readily obtained simply and inexpensively by employers and others. Driver record abstracts can be obtained from the Division of Motor Vehicles at a cost of $1.00 each, or $.50 in the case of volume users.

Therefore, I herewith return Assembly Bill No. 491 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 493
[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 493 OCR without my approval.

This bill would provide for the registration of motor vehicles leased by governmental and charitable organizations at no cost. Presently, no fee registration is limited to those vehicles owned by such organizations.

The Division of Motor Vehicles in the Department of Law and Public Safety would be required to establish an expensive and time consuming procedure to implement and enforce the provisions of this bill. In the case of the lease of a previously registered motor vehicle to a governmental organization, proper notification thereof would have to be received by the Division of Motor Vehicles. Thereafter, the license plates would be cancelled, the vehicle would have to be re-registered and new plates issued, i.e. ''CG'' for county government or ''MG'' for municipalities. The seal of the governmental agency would then have to be displayed on the vehicle. A similar procedure would be needed in the case of the lease of a previously registered motor vehicle to a charitable organization. A special license plate, ''NF'', ''No Fee'', would have to be supplied. In addition, identification information would have to be provided for the charitable organization to display on the vehicle. On termination of the lease, the whole procedure would have to be repeated and the governmental seal and charitable organization marking would have to be removed from these vehicles.

It is possible the same vehicle could be leased to various organizations several times during the course of one year. In each case, the procedure outlined above would have to be followed. All this additional administrative work would be required despite the fact that revenue to the Division of Motor Vehicles would be reduced by the number of ''no fee'' registrations issued and vehicles so leased. Further, revenue would also be lost to the State in the event of a delay in notification of lease termination.

Governmental and charitable organizations obtain certain advantages by leasing motor vehicles rather than purchasing them. It is generally less expensive or more convenient to do so. It is unreasonable to require the Division of Motor Vehicles to expend great amounts of time and money so that governmental and charitable organizations can obtain the advantage of leasing motor vehicles while not being required to pay the registration fee for the lease period.

Therefore, I herewith return Assembly Bill No. 493 OCR without my approval.

ASSEMBLY BILL NO. 586

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 586 without my approval.

Assembly Bill No. 586 would direct the Department of Transportation to undertake a study of the feasibility of extending either the Garden State Parkway or the New Jersey Turnpike or both into Warren and Sussex Counties and also to consider the feasibility of establishing a new public corporation to extend a toll road into those counties. The impetus for the bill is the development of the Tocks Island National Recreation Area and the desire to stimulate the economic development of Warren and Sussex Counties.

The Department of Transportation has had this area under study since 1968 and has issued an interim report on highway development in this area. A comprehensive study is now under way and a final report will soon be rendered by the Department of Transportation. The proposed plan for development of highways in this area does not contemplate the extension of toll roads, but rather will utilize upgraded State highways and interstate roads to provide a suitable highway network in this area. Accordingly, the study proposed to be undertaken by Assembly Bill No. 586 is not appropriate at this time.

ASSEMBLY BILL NO. 597

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 597, without my approval, for the following reasons:

Assembly Bill No. 597 would supplement chapter 36 of Title 18A of the New Jersey Statutes for the purpose of authorizing, at the opening of the school day in each public school classroom, ''a brief period of silent prayer or meditation with the participation of all the pupils therein assembled.'' Furthermore, this measure provides also that the silent prayer or meditation sought to be authorized ''shall be considered as an opportunity for silent prayer or meditation on a religious theme by those who are so disposed, or a moment of silent reflection on the anticipated activities of the day.''

This bill is a *verbatim* copy of Assembly Bill No. 640 (1968) and Assembly Bill No. 146 (1969), which were returned to the Legislature by Governor Hughes without his approval.

The First Amendment to the United States Constitution provides, in part, that:

> "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof . . ."

These two clauses, the "Establishment Clause" and the "Free Exercise Clause" apply to the several states by virtue of the Fourteenth Amendment to the United States Constitution.

The United States Supreme Court in *Engel v. Vitale,* 370 U.S. 421 (1962) and *School District of Abington Township v. Schempp,* 374 U.S. 203 (1963) has found statutory provisions providing for a voluntary daily program of denominationally neutral prayer and bible reading and recitation of the Lord's Prayer in public schools to be unconstitutional.

Patently, what is proscribed by the Establishment Clause is not the use of any particular form of prayer, but rather any establishment by the state of a religious or devotional exercise in connection with the operation of the public school system. A basic principle which has emerged from the pertinent cases is that the guarantees of the First Amendment concerning religion are observed best by "wholesome neutrality" on the part of the state toward matters sectarian. That is, not to say that the state must be hostile toward religion, but rather steer a careful course between the constitutional prohibition against establishment on the one hand and the constitutional guarantee of free exercise on the other.

This bill which authorizes teachers to conduct a brief period of silent prayer or meditation . . . with the participation of all the pupils therein assembled, invites the interpretation that it is an effort to circumvent court decisions prohibiting religious exercises in public schools. The language of section 2 of the bill that it is not intended to be, and shall not be conducted as, a religious service or exercise does not alter the meaning of the language of the bill which suggests the idea of schools conducting religious exercises. The responsibility for authoritatively interpreting the Constitution rests with the Judiciary. To the extent that this bill would circumvent the decisions of our Courts, it usurps judicial authority and violates the First

Amendment of the U.S. Constitution. Insofar as the bill provides for a brief period of meditation, it is unnecessary since there is presently no provision of law which prohibits individual teachers or school authorities from holding moments of silence in the classroom.

No decision of the United States Supreme Court rendered subsequent to the veto of A-146 (1969) has altered constitutional doctrine announced in *Engel v. Vitale,* 370 U.S. 421 (1962) and *School District of Abington Township v. Schempp,* 374 U.S. 203 (1963).

I must conclude, accordingly, that Assembly Bill No. 597 (1970) suffers the same infirmities as its predecessors, and must likewise be returned to the Legislature without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 627

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 627 without my approval.

This bill would provide that the New Jersey State Lodge, Fraternal Order of Police be represented on the Police Training Commission.

This very same provision is incorporated in Assembly Bill No. 919 OCR along with some other provisions. I have recently signed Assembly Bill No. 919 OCR into law. There is no need for any further consideration of Assembly Bill No. 627.

ASSEMBLY BILL NO. 836

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 836, without my approval.

This bill would provide that no lands could be acquired by a state, county or municipal government under the Green Acres Act in any municipality in excess of 25% of the total area of that municipality without first obtaining consent by ordinance of the municipality. I recognize that acquisition of land by this method may create potential loss of ratables, but the State does possess the responsibility to preserve open spaces for its citizens. Presently, the State considers impact on local areas. There are also statutes which require notice and hearing to any affected municipality before the State accepts certain gifts or bequests of land for park and recreation purposes. In addition, fiscal limitations are present in most situations, and general planning practices take into account the location and amount of land subject to Green Acres acquisition.

It is my belief that enactment of this bill could seriously jeopardize access to certain critical open-space areas. Such a result would have a detrimental effect on the State as a whole. While problems may be created in very limited situations by such land acquisition, the potential detrimental effect of this bill far outweighs the benefits which it purports to insure.

I am, therefore, returning Assembly Bill No. 836 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,

ASSEMBLY BILL NO. 914

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 914 without my approval.

This bill would prohibit the renewal of the driver's license or registration of a motorist who fails to respond to a traffic summons.

Presently, the Director of the Division of Motor Vehicles in the Department of Law and Public Safety suspends the license privilege of motorists who fail to satisfy summonses for moving violations. In addition, the Director takes action against parking violators who have accumulated five or more unsatisfied summonses in one municipality. This bill would require action on the part of the Director of

Motor Vehicles for each instance of a failure to respond to a parking violation. This would place a staggering burden on his shoulders. The enormity of the volume of work involved can be seen from the fact that under the present system limited to moving violations and five or more unsatisfied summonses in one municipality the Division of Motor Vehicles mailed 32,460 proposals to suspend driving privileges in 1969. Actual suspensions were in 26,238 cases. An effort such as required under this bill is not within the present capability or appropriations of the Division of Motor Vehicles. Further, a question may arise as to whether the Director is obligated to provide administrative hearings prior to suspension for those persons who fail to respond to summonses.

The more appropriate procedure is for the municipalities themselves to follow through in cases of failure to respond to a summons. By imposing stiffer penalties on these so-called ''scofflaw violators'' the municipality could recover the cost of administration at the local level.

Therefore, I herewith return Assembly Bill No. 914 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 941

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 941, without my approval.

Assembly Bill No. 941 would provide for the issuance of certificates of need for new medical care facilities by a board in the Department of Institutions and Agencies. The bill would establish a rather complicated review mechanism and provide for certain non-governmental boards to have a veto over actions of the executive branch of government. It would also re-enact certain sections of Title 30, almost without change.

I am sympathetic to the concept of a certificate of need in order to prevent unnecessary and costly duplication of medical services, and to the extent this would improve medical care delivery. However, it is my firm belief that the procedure established in this bill would not accomplish this purpose. The rather cumbersome and awkward procedures do not square with modern governmental techniques. In addition, the bill itself contains various internal inconsistencies and errors which would not allow me to give it my approval if I were otherwise disposed to the approach contemplated.

It is my belief that the certificate of need function should be accomplished by the single State department charged with the responsibility for medical planning and supervision. That department is the Department of Health. It is also my belief that modernization and stream-lining of the regulatory functions regarding hospitals and nursing homes are vitally needed. There are presently several bills pending in the legislature which, in varying degrees, would accomplish these purposes. I would certainly be willing to consider appropriate legislation which accomplishes the goals referred to herein, which have as their principal object the continued improvement and upgrading of health care delivery for all our citizens.

I am, therefore, returning Assembly Bill No. 941 without my approval.

Respectfully,

Assembly Bill No. 696

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 696 without my approval.

Asembly Bill No. 696 would authorize the Governor to appoint a total of six county court judges in counties of the fifth class with a population in excess of 300,000 inhabitants. Under the existing law, such counties are entitled to a total of four county court judges. This bill would have the effect of raising the authorized number of county court judges in Monmouth County from four to six. In my Annual Message to the Legislature on January 12, 1971, I made reference to the necessity to modernize and mobilize our entire judicial system to meet the challenge presented to the Judiciary in this era of great social unrest. While an important step in meeting this challenge will be the abolition of the county courts and the incorporation thereof into the Superior Court, I recognize that some increase in county court judges in certain counties may be desirable as an interim step. However, further consideration is needed before I can endorse an increase in the number of county court judges in Monmouth County.

Accordingly, I herewith return Assembly Bill No. 696 without my approval.

Respectfully,

Governor.

Mr. Kean offered the following resolution, which was read by the Clerk and adopted:

Be It Resolved, That when the General Assembly adjourns it be to meet on Thursday, March 11, 1971 at 2 p.m.

Mr. Kean moved that the General Assembly adjourn.

The Speaker declared the General Assembly adjourned.

THURSDAY, March 11, 1971.

The General Assembly met at 2:35 p.m.

Prayer was offered by Rev. James F. Fitzgerald.

The Speaker led in the Pledge of Allegiance to the Flag.

Upon calling the roll the following members answered the call and the Speaker declared a quorum present:

Messrs. Azzolina, Black, Brown, Cafiero, Caputo, Cobb, Coleman, Connell, Costa, Crane, Curcio, Dawes, De Korte, Dennis, Deverin, Dickey, Dorgan, Enos, Esposito, Evers, Fay, Fenwick, Fiore, Florio, Fontanella, Foran, Garibaldi, Goldfarb, Haelig, Healey, Hirkala, Horn, Hurley, Jackman, Kiehn, Kravarik, Littell, Lordi, Mabie, Macrae, Margetts, McDonough, Merlino, Moraites, Owens, Parker (Speaker), Policastro, Raymond, Richardson, Robertson, Russo, Scancarella, Schluter, Smith, A. S., Smith, W. L., Thomas, Turner, Vander-Plaat, Volk, Vreeland, Weidel, White, Wilson, Woodson—64.

The Clerk began to read the minutes of the previous meeting. Mr. Kean moved that the reading of the minutes be dispensed with, which motion was adopted.

The following communications were sent to the desk and read by the Clerk:

State of New Jersey Commission of Investigation, 1970 Annual Report.

Public hearing before Election Law Revision Commission on Party Organization and Structure.

Mr. Kean moved that the communications be received and filed.

Which motion was adopted.

The Clerk then read and the General Assembly passed resolutions of welcome, condolences, commendation and recognition.

Mr. Russo, Chairman of the Joint Legislative Commission to study the problem of abandoned or unseaworthy vessels found in intrastate waterways and shore line waters of New Jersey, established pursuant to Assembly Concurrent Resolution No. 58 (1970), announced that the Commission will hold its second public hearing of 1971 on Wednesday, March 24, in the Oak Shade Fire House Committee Room, 75 Lower Main Street, Matawan (Monmouth County), New Jersey, starting at 10 a.m.

The following communication was sent to the desk and read by the Clerk:

A letter from Mr. Shusted submitting his resignation from the General Assembly, effective March 9, 1971.

Mr. Kean moved that the communication be received and filed.

Which motion was adopted.

Assembly No. 235 was given third reading.

On motion of Mr. Hollenbeck that the bill pass the vote was as follows:

In the affirmative were—

Messrs. Azzolina, Black, Brown, Cafiero, Caputo, Cobb, Coleman, Connell, Conwell, Costa, Crane, Curcio, Dawes, De Korte, Dennis, Deverin, Dickey, Dorgan, Enos, Esposito, Evers, Ewing, Fay, Fenwick, Foran, Gavan, Goldfarb, Haelig, Healey, Higgins, Hirkala, Hollenbeck, Horn, Hurley, Jackman, Kean, Kiehn, Kravarik, Littell, Lordi, Mabie, Margetts, Merlino, Moraites, Owens, Parker (Speaker), Policastro, Raymond, Richardson, Robertson, Scancarella, Smith, A. In the negative was—

Mr. Crane—1.

Mr. Policastro asked for the record on Assembly No. 227, which was furnished by the Clerk.

On April 13, 1970 Mr. Policastro gave 24 hours' notice to relieve the Commerce, Industry and Professions Committee of Assembly No. 227.

On April 20, 1970 it was reported out of committee and given second reading. On June 8, 1970, it was referred to the Banking Committee and on March 8, 1971, Mr. Policastro gave a 24-hour notice to relieve the Banking Committee of Assembly No. 227. Mr. Policastro moved, seconded by Mr. Richardson, to relieve the Banking Committee of Assembly No. 227.

Which motion was lost by the following vote:

In the affirmative were—

Messrs. Conwell, Deverin, Dugan, Fay, Florio, Gavan, Healey, Higgins, Hirkala, Horn, Jackman, Lordi, Merlino, Owens, Policastro, Richardson, Woodson—17.

In the negative were—

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
April 19, 1971.

ASSEMBLY BILL NO. 2071

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 2071, with my objections, for reconsideration.

This bill amends the Judicial Pension Act to authorize pension benefits for surviving widows of judges provided they were married three years prior to his death and continue to be married until his death. The requirement of marriage prior to his attaining age 50 is eliminated.

I am in agreement with the policy of eliminating the archaic requirement that a judge must have married prior to attaining age 50 in order that pension benefits be provided for his surviving widow.

This bill provides excellent survivor benefits for these widows. It is my belief that a widow, in order to qualify for these excellent benefits, should have been married to her husband for a period of at least four years. This is a more reasonable period than the three years provided in the bill as originally drafted.

Accordingly, I am returning Assembly Bill No. 2071 for reconsideration with the requirement that it be amended as follows:

> *Page 1, Section 1, Line 11:* After "least" delete "3" and insert "4".

Respectfully,

[SEAL] /s/ RAYMOND H. BATEMAN,
Acting Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

The Clerk read a message from the Senate that the Senate has passed the following Assembly bills:

Assembly Nos. 1206, 1283, 2123, 2090, 2155 and 2156, which bills were ordered held for delivery to the Governor.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
April 22, 1971.

ASSEMBLY BILL NO. 1250

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1250, with my objections, for reconsideration.

This bill would permit the registration and operation on public highways of oversized vehicles to transport divisible loads for industrial processing or storage between facilities of a manufacturer which are separated by public highways. Operation of these oversized vehicles would be limited to traveling not more than 1,000 feet on public highways. They would be precluded, however, from operation on limited access highways.

I am in agreement with the general purpose of this bill. It is proper and appropriate that consideration be given to the movement of such goods between the facilities of industrial plants which are separated by public highways. The bill has several defects, however. As drafted, it would apply to all vehicles transporting such material. Further, these vehicles would be required to pay the additional registration fee and obtain permits from the Director of Motor Vehicles, whether or not they were used on public highways. I would recommend the bill be amended so that it would apply only to trailers and semitrailers which are oversized and which in fact are used on public highways. Further, the bill would require these vehicles to pass the motor vehicle inspection requirements. This inspection provision is no longer necessary since these commercial vehicles are on a self-inspection basis.

Accordingly, I am returning Assembly Bill No. 1250 for reconsideration with the recommendation that it be amended as follows:

> *Pages 1 and 2, Section 1, Lines 20-33*: Delete in their entirety and insert "A trailer or semitrailer, having a width in excess of 96 but not more than 144 inches,

used to transport divisible loads for industrial processing or storage may be registered with the Director at a fee of $150.00. A trailer or semitrailer so registered may be operated on any public highway, except limited access highways, provided the distance operated on the highway is not more than 1,000 feet from the point of entrance to the point of exit and further provided that a permit valid for the duration of the registration year is obtained from the Director. Such movements may be made at any hour of any day of the year and no escort vehicles shall be required. The limitation as to distance operated shall not apply when the vehicle is empty and proceeding to or from an inspection, service, maintenance, or repair facility."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Mr. Kean offered the following resolution, which was read by the Clerk and adopted:

Resolved, That pursuant to paragraph a. of Rule 20:6 the following Assembly bill, conditionally vetoed by the Governor, be and is hereby given first reading for the purpose of reenactment: Assembly No. 1250.

Further Resolved, That pursuant to paragraph e. of Rule 20:6 the aforementioned Assembly bill is referred to committee, as follows:

Assembly No. 1250, Transportation and Public Utilities Committee.

The Clerk read the following message from the Governor.

State of New Jersey,
Executive Department,
April 22, 1971.

Assembly Bill No. 1100 2nd OCR

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14 (b) of the Constitution, I herewith return Assembly Bill No. 1100, with my objections, for reconsideration.

Assembly No. 1100 is a revision of the statutes pertaining to actions for divorce, nullity of marriage, alimony, and maintenance of children.

A distinguished panel of citizens representative of varying interests, of different religious beliefs, each possessing considerable expertise, concluded unanimously after intensive study that reform of New Jersey divorce law was ungently needed. This legislation is a direct result of that study and seeks to implement the findings and recommendations of the Divorce Law Study Commission.

As a former active practicing attorney, I observed personally many of the shortcomings and invitations to fraud cited in the Commission Report and can therefore, understand their conclusion that reform in this area is essential. The question, therefore, was not whether reform was needed but the nature of the reform and its effect on the family, the community and the state. My decision was not an easy one. It was reached only after serious and intensive study and the resolution of a deep concern for the personal and social effects on our citizens. The fact that I do not personally believe in divorce from a sacred binding contract played no role in my decision. This is indeed a pluralistic society, and I would no more seek to enforce my personal religious views on others than I would accept any effort to encroach on my personal religious liberty.

It might also be noted that while we permit some forms of legalized gambling in New Jersey, this does not require those who oppose gambling to participate. The legal sale of alcoholic beverages does not compel consumption by all. Thus, those who oppose divorce need not avail themselves of the relief provided by this legislation, while others who favor divorce under certain circumstances may avail themselves of the legislation in order to terminate lawfully an intolerable and unworkable relationship.

Yet, all of us in authority, whether we favor or oppose divorce, have a responsibility to preserve as far as possible the family unit, recognizing as we do its importance to our society and the harm that separation of parents frequently works on the children of the marriage. As a result, any legislation affecting the family relationship must be carefully and zealously examined to insure that minimum harm results. It is also essential that the language of the legislation be precise, and that it accomplish the good and eliminate the evil desired by the Legislature.

It was with these objectives in mind that I have taken the indicated executive action.

The final report of the Commission, as well as testimony offered on the bill before the Assembly Judiciary Committee public hearing on October 30, 1970, indicates that New Jersey is relatively backward when compared with her sister states in the field of marital law. If this backwardness led to the stabilization and preservation of marriages, revision would be unnecessary and detrimental. However, the evidence tends to show the contrary. Our laws encourage migratory divorces for those who can afford them and illicit cohabitation among those who are financially unable to terminate a prior legal relationship. Uniformity in the application of our present law is, in fact, non-existent.

I know you agree with me that marriage should be severed only in those circumstances where it has lost all potential viability. The recommendations which I respectfully submit to you for consideration will, I trust, overcome certain inconsistencies in Assembly Bill No. 1100 and provide a workable structure for stabilizing saveable marriages. No one desires indiscriminate divorce. A legal mechanism, therefore, must be provided which will preserve the sanctity of marriage and provide a vehicle by which an intolerable situation can be alleviated without undue burden.

N.J.S. 2A:34-2 presently provides a 6-month "cooling off" period from the date the act of extreme cruelty was allegedly committed. During that period, a complaint based on that act of cruelty is prohibited. The Commission's Final Report states that this 6-month period was established by the Blackwell Act of 1923 "so that a 'saveable' marriage would not be destroyed by hasty and angry reactions." The Commission concludes that the intent of the Blackwell Act has not been accomplished in this respect. I disagree. Many times people who love each other find themselves momentarily at odds, affected by the pressures of everyday life in our society, resulting at times in physical or verbal abuse. Once the wrongdoing has been perpetrated, pride then becomes a factor and only time can heal the hurt and preserve the marriage. When two parties elect to enter into a life-long contract involving mutual responsibility and reliance, one of those partners should not be able, by whim, caprice, or momentary disenchantment, to terminate the nuptial contract. A marriage should be seriously and fully considered before contracted. A similar standard of consideration should be applied when divorce is contemplated. I am recommending that a 3-month "cooling off" period be reinstated if this proposal is to become law. This is not an unreasonable waiting period, and could, in my judgment, preserve many marriages which might otherwise be terminated.

The terms "drug addiction" and "alcoholism", set forth in Section 2e. of Assembly Bill No. 1100 as separate grounds for divorce are uncertain and could lead to abuse and absurdity.

New Jersey case law has recognized addiction to heroin or its derivatives as warranting divorce on the grounds of extreme cruelty. *DeMeo v. DeMeo*, 110 N. J. Super. 179, 264 A.2d 751 (Ch. 1970); *Melia v. Melia*, 94 N.J. Super 47, 226 A.2d 745 (Ch. 1967).

The term "drug addiction" alone, however, goes well beyond voluntarily induced dependency on narcotics or opiates. "Drugs" are defined by P.L. 1970, c. 226, New Jersey Controlled Dangerous Substances Act, as "(a) substances recognized in the official United States Pharmacopœia, official Homeopathic Pharmacopœia of the United States, or official National Formulary, or any supplement to any of them; and (b) substances intended for use in the diagnosis, cure, mitigation, treatment, or prevention of disease in man or other animals; and (c) substances (other than food) intended to affect the structure or any function of the body of man or other animals; and (d) substances intended for use as a component of any article specified in sub-sections (a), (b) and (c) of this section; but does not include devices or their components, parts, or accessories.''

It is self-evident that our legislators do not want to allow divorces to be granted on the basis of everyday use of aspirin to ease arthritic pain or vitamins to supplement a diet or insulin to keep a diabetic alive. Such an interpretation, however, is not unjustified under the present language of the bill. I strongly recommend that the term ''drug addiction'' be changed to ''voluntarily induced addiction or habituation to any narcotic drug as defined in the New Jersey Controlled Dangerous Substances Act, P. L. 1970, c. 226.

The use of the term ''alcoholism'' presents a different type of problem. Alcoholics Anonymous, forerunner of organizations which have endeavored to combat this social ill has as one of its tenets ''Once an alcoholic always an alcoholic.'' Thought of as a disease, alcoholism may be active or dormant at a particular point but according to many authorities the affected individual is always ''an alcoholic.''

Historically, continuous or habitual drunkenness per se has not been interpreted by the courts as extreme cruelty. *Cruikshiank v. Cruikshiank*, 115 N.J. Eq. 322, 170A. 659 (E. & A. 1934). Only when the excessive drinking has been combined with other affirmative action, i.e., physical violence, *Clutch v. Clutch*, 1 N.J. Eq. 474 (Ch. 1931), *Fort v. Fort*, 126 N.J. Eq. 622, 11 A.2d 13 (E. & A. 1940), has the court found the plaintiff spouse to be entitled to a divorce on the grounds of extreme cruelty or constructive desertion at the end of the required period. In the creation of habitual drunkenness or excessive use of alcohol as a new and separate ground for divorce, care must be taken to protect against the filing of actions which, contrary to the true spirit of the proposal, are based on the ''inactive alcoholism'' of ''cured'' individuals or the periodic indiscretions of those individuals who might occasionally overindulge.

In order to avoid potential misapplication of this new ground I suggest that ''alcoholism'' be replaced by the term ''habitual drunkenness.''

The final report of the Commission points out that most states which have imprisonment for a specified period as grounds for divorce require that the crime for which the defendant is imprisoned be of ''moral turpitude'', ''infamous'' or a ''felony''. Assembly Bill No. 1100 fails to make this distinction on the basis that it is not the nature of the crime that is at issue but rather the effect of the absence and deprivation of the partner from the home. Although the courts may imply the intent of the defendant to desert his spouse through the manifestations of his wrongdoing, this is not true ''willful'' desertion any more than army service may be considered as such. Since we are concerned with absence from the home rather than the ''fault'' of the absent party, I feel that the time element should be equated to that of the ''no fault'' provision, that is, 18 months.

The most significant and far-reaching of the recommendations of the Divorce Law Study Commission to be incorporated into Assembly Bill No. 1100 is Section 2d. which establishes as grounds of divorce ''Separation, provided that the husband and wife have lived separate and apart in different habitations for a period of at least 12 or more consecutive months and there is no reasonable prospect of reconciliation.'' This has come to be known as the ''no fault'' concept since the plaintiff would not be required to prove any wrongdoing on the part of the defendant in order that he or she may be adjudged divorced from the bond of matrimony.

There are those who urge the injection of this ''no fault'' concept in divorce law will eliminate the permanent fabric of marriage. Conversely, equally sincere persons insist the present laws lead to hypocrisy and manufacture of accusations, and wrongdoing should be eliminated as an issue. Each of these assertions possesses elements of reason and understanding.

When personal religious convictions and moral standards are not considered, the ultimate objective must be the continuation and protection of potentially saveable marriages and family stability, while acknowledging the right of those married persons who have utterly failed in partnership to dissolve that partnership without the allegations and proof of accusations.

Consequently, the ''no fault'' concept in our divorce law can play a meaningful and valid role if not abused. The potential for abuse would be created by a short time period requirement before the commencement of an action. The present proposal establishes a 12-month waiting period. While I do not consider this to be an inordinately short period, I do believe that an 18-month period is preferable. There are several reasons to support the basis of this suggestion. First, in the final report of the Divorce Law Study Commission it is stated: ''A one or two year statute, however, appears to give ample time for the spouses to consider whether or not a reconciliation might be possible. It is not so long as to discourage its use, and it cannot be said to promote hasty or early divorce.'' Thus, my suggestion is consistent with the report. Secondly, there must be some differentiation between the ''no fault'' ground and the ''desertion'' ground for divorce. The intent of the Legislature in setting the period for desertion at 11 months was obviously an attempt to distinguish it from the 12-month requirement of the ''no fault'' provision. This distinction is shallow. Thirdly, the extension of this ''no fault'' separation period to 18 months can be cited as a sufficient time period to raise a presumption that there is no reasonable prospect to reconciliation, thus obviating the necessity of the moving party to establish by a preponderance of evidence that no reasonable prospect of reconciliation exists as required under the present language of the bill. However, by extending the ''no fault'' time period to 18 months, coupled with an extension of the separation period required to constitute ''desertion'' to 12 months, the two concepts, ''fault'' and ''no fault'', would be substantively distinguishable in time and intent.

With regard to jurisdiction in actions for nullity of marriage, presently N.J.S. 2A:34–9 requires only that one party be a resident of the state at the time the action is commenced. N.J.S. 2A:34–10 sets forth 2-year residency requirements for actions of absolute divorce or divorce from bed and board based on grounds other than adultery. No residency requirement is stipulated before an action for divorce on the basis of adultery may be commenced.

Assembly Bill No. 1100 would require a one-year residency by either party before the commencement of any marital action. I can see no advantage to be derived from postponing adjudication of potentially null marriages while residency requirements are fulfilled. In the same vein, the proposal requiring a one-year wait in cases of adultery would not appear to improve New Jersey's Divorce law.

I recommend that N.J.S. 2A:34–9 remain intact and that N.J.S. 2A:34–10 be amended so that both references to ''2-year'' residency requirements be replaced by ''1 year.''

Accordingly, I herewith return Assembly Bill No. 1100, for reconsideration, and recommend that it be amended as follows:

Page 2, Section 2, Line 9: Delete ''11'' and insert ''12''.

Page 2, Section 2, Line 21a: After ''defendant;'' insert ''provided that no complaint for divorce shall be filed until after 3 months from the date of the last act of cruelty complained of in the complaint, but this provision shall not be held to apply to any counterclaim;''.

Page 3, Section 2, Line 24: Delete ''12'' and insert ''18''.

Page 3, Section 2, Lines 24 and 24a: After ''months'' delete in its entirety and insert '', provided further that after the 18-month period there shall be a presumption that there is no reasonable prospect of reconciliation;

Page 3, Section 2, Line 25: Delete ''Drug addiction'' and insert ''voluntarily induced addiction or habituation to any narcotic drug as defined in the New Jersey Controlled Dangerous Substances Act, P.L. 1970, c. 226''; delete ''alcoholism'' and insert ''habitual drunkenness''.

The Clerk read a message from the Senate that the Senate has passed the following Assembly bills:

Assembly Nos. 1386 and 2383, which bills were ordered held for delivery to the Governor.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
April 29, 1971.

ASSEMBLY BILL NO. 1291

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1291 with my objections, for reconsideration.

Assembly Bill No. 1291 would provide for the regulation of certain mass gatherings, and provide for the establishment in the State Department of Health of a Mass Gathering Review Board.

I am in accord with the basic purpose and legislative intent behind this bill, which is, specifically, to provide for the reasonable regulation of what are popularly referred to as "rock festivals" or "rock music festivals." The need for such regulation became apparent in recent years, not only through our State's own experiences, but through observation of the experiences of some of our neighboring states. I believe that most people can fully recognize the extreme hazards and dangers that can threaten the public health, safety and welfare when mass gatherings of many thousands of people occur for extended periods of time in geographical areas totally unequipped and ill-suited to handle such gatherings by reason of inadequate or non-existent physical facilities. It is important to note that even those who stand to be affected most by any regulation of such mass gatherings, namely, the participants, the promoters, and local governments, are in general accord as to the need for regulation.

After carefully studying the bill and examining numerous interpretations that have been attributed to certain of its provisions, I am persuaded that several changes are required in order to clarify the true purpose and intent of the bill.

Section 1 of the bill states, in part, that it is the policy of the State to permit the mass gathering of persons for the purposes of musical entertainment ''or the expression and communication of ideas in connection with public issues.'' The latter phrase has caused a reaction not intended by the bill, and has raised the possibility that this bill, which is intended to regulate ''rock festivals'' and not rights of expression and communication of ideas, may be subjected to a basic misinterpretation. I am therefore recommending the deletion of this phrase and the addition of other clarifying words to this section.

In addition, I am concerned over the breadth of Section 2 as presently drafted. Again, this legislation is designed to reasonably regulate ''rock festivals'' or similar mass gatherings for the purposes of mass musical or public entertainment, without interfering with other legitimate rights of people to gather and assemble freely for any lawful purpose. It is not intended to apply, for example, to spontaneous mass gatherings or to other mass gatherings not reasonably anticipated to attract the number of people specified or to continue for the amount of time provided in the legislation. In this connection, therefore, I am recommending clarifying language that will more clearly describe the type of mass gathering which the bill proposes to regulate. I believe that this clarification will be better served by increasing from 12 to 18 the number of hours during which the mass gathering is anticipated to continue without disbanding.

In view of the fact that mass gatherings of the type sought to be regulated in this bill are, by and large, gatherings of young men and women, I believe it appropriate that they be represented on the Mass Gathering Review Board established in Section 3. I am therefore recommending that the board's membership be expanded to include two student representatives to be appointed by the Governor.

This bill does not specifically distinguish, in the degree of regulation that it imposes, between non-profit mass gatherings and those which are conducted for profit. While I do not agree that this legislation should apply only to those mass gatherings which are conducted for profit, I do feel that the Mass Gathering Review Board should, in its discretion, have the opportunity to consider whether the gathering is for profit or non-profit among the other factors listed in Section 7. I am therefore recommending language which will add this as a factor to be considered in that section.

Accordingly, I am returning Assembly No. 1291 for reconsideration, with the recommendations that it be amended as follows:

Page 2, section 1: Delete lines 4 and 5 and insert in lieu thereof ''purposes of mass musical or public entertainment.''

Page 2, section 2: Delete line 4 and insert in lieu thereof ''advertising or otherwise, a mass gathering for the purposes of musical entertainment of various designations such as ''pop festival,'' or ''rock festival'' or ''rock music festival'' which may reasonably be anticipated to at-''.

Page 2, section 2, line 6: Delete ''12'' and insert ''18''.

Page 2, section 2, line 11: Delete ''12'' and insert ''18''.

Page 2, section 3, lines 7 and 8: Delete ''Commissioner of Education'' and insert ''Chancellor of Higher Education''.

Page 2, section 3, line 11: Between ''designees.'' and ''This'' insert the following sentence: ''In addition the board's membership shall include two student representatives who shall be appointed by and serve at the pleasure of the Governor.''

Page 5, section 7: After line 10 insert the following as new line 11: "b. Whether the mass gathering is to be conducted or promoted for profit;"

Page 5, section 7, line 11: Delete "b." and insert "c.".

Page 5, section 7, line 12: Delete "c." and insert "d.".

Page 5, section 7, line 13: Delete "d." and insert "e.".

Page 5, section 7, line 14: Delete "e." and insert "f.".

Page 5, section 7, line 16: Delete "f.' 'and insert "g.".

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
May 3, 1971.

ASSEMBLY BILL NO. 2390

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly No. 2390, with my objections, for reconsideration.

Assembly Bill No. 2390 is intended to correct an oversight which was made in the preparation of the budget of a Board of Education in Sussex County. The municipality, which comprises the school district, intended to and budgeted for a transfer of funds from its principal surplus to the local Board of Education in order to keep the amount to be raised by taxation for school purposes to a minimum. However, the local Board of Education did not include this amount in its budget and corrective legislation is necessary to allow these surplus funds to be taken into account.

After review of Assembly No. 2390, I am convinced that certain technical amendments are necessary so that it will accomplish its intended purpose.

Accordingly, I herewith return Assembly Bill No. 2390, for reconsideration, and recommend that it be amended as follows:

Page 1, Section 1, Line 2: Delete "will" and insert "has".

Page 1, Section 1, Line 3: Delete "transfer funds from surplus" and insert "transferred funds".

Page 1, Section 1, Line 3: After "education" insert "on or before said date and".

Page 1, Section 1, Line 4: After "year," insert "and the amount of the transfer has been included in the adopted municipal budget as a line item appropriation,".

Page 1, Section 1, Line 6: After "Affairs" insert "and by the Director of the Division of Taxation in the Department of the Treasury".

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

The following communications were sent to the desk and read by the Clerk:

Interim Report of the New Jersey Criminal Law Revision Commission.

General Assembly of New Jersey
Trenton

To: Members of the New Jersey General Assembly

From: Richard J. Vander Plaat, Chairman
Task Force on Urban Problems

Submitted herewith is the report of the Task Force on Urban Problems as provided for in Chapter 325, Laws of 1970.

During the month of March the Task Force held two meetings. General discussions were held with representatives of the City of Newark regarding the proposals for the use of the $9.25 million.

In accordance with the provisions of the legislation, general discussions were held to determine how best to utilize the money to be appropriated during 1971 and to gain and collect the necessary information to assist the Legislature in determining future urban aid programs and State aid to municipalities.

There was a general agreement that the actual proposal for the use of the money should be developed by the City of Newark and not by the Commission. However, the Commission held itself ready to discuss any proposals with City representatives and this was done. There was a general agreement that the money should not be used to take over the total expenditure of any one particular department but that the City should put some of its own money into the program. There was also a general agreement that the money should not be spread in dribs and drabs throughout all the departments.

In addition to the above discussions, the Commission was asked to render assistance to the City to get permission for a bank to collect its payroll tax. Efforts were made to work through the Division of Local Finance to get permission as well as getting Assembly Bill 889 passed. This legislation has passed the Assembly and is now awaiting action in the Senate.

RICHARD J. VANDER PLAAT.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
June 14, 1971.

ASSEMBLY BILL NO. 923

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 923 for reconsideration.

This bill would amend various sections of Title 23 of the Revised Statutes to require that all persons applying for either an initial firearm license or a bow and arrow hunting license must first complete an appropriate safety course.

By virtue of the enactment on May 6, 1971 of Senate Bill No. 947 as Chapter 125 of the Laws of 1971, a conflict would be created by approval of Assembly Bill No. 923 in its present form as to certain fees charged. Therefore, the bill should be amended to be consistent with Chapter 125 of the Laws of 1971.

By virtue of Chapter 33 of the Laws of 1970, the designations Division of Fish and Game and Department of Conservation and Economic Development are no longer appropriate and should be changed to the Division of Fish, Game and Shell Fisheries and the Department of Environmental Protection, respectively.

The bill also provides that a person who obtains a hunting license by furnishing false information is subject to a $20.00 fine. This penalty does not provide an adequate deterrent or the flexibility in imposing a penalty where the circumstances warrant. In my opinion, a fine of not less than $20.00 nor more than $200.00 should be authorized.

In addition, Section 6 of Assembly Bill No. 923 refers to an effective date which elapsed prior to passage of this bill by the Legislature. These technical changes should also be corrected.

Accordingly, I herewith return Assembly Bill No. 923 without my approval and respectfully recommend the following changes:

1. Page 1, Section 1, Line 11: Delete "$1.00" and insert in lieu thereof "$2.00".

2. Page 2, Section 2, Line 11: Delete "and Game" and insert in lieu thereof ", Game and Shell Fisheries".

3. Page 2, Section 2, Line 13: Delete "and Game" and insert in lieu thereof ", Game and Shell Fisheries".

4. Page 2, Section 2, Lines 13 and 14: Delete "Conservation and Economic Development" and insert in lieu thereof "Environmental Protection".

5. Page 2, Section 2, Line 19: Delete "and Game" and insert in lieu thereof ", Game and Shell Fisheries".

6. Page 2, Section 4, Line 9: Delete "and Game" and insert in lieu thereof ", Game and Shell Fisheries".

7. Page 2, Section 4, Line 12: Delete in its entirety and insert "not less than $20.00 nor more than $200.00 for each offense."

8. Page 2, Section 6, Line 1: Delete "January 1, 1971" and insert in lieu thereof "on the first day of the month following enactment."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

July 1, 1971

Honorable Barry T. Parker

Speaker, General Assembly of New Jersey

115 High Street

Mt. Holly, N. J. 08060

Dear Barry:

Please present to the General Assembly my resignation as a member of the Assembly. This step I take with regret, with remembrance of the lasting friendships I have formed, and with gratitude to all those who have made it possible for me to serve my people in the Legislature of our State.

I have just been appointed as co-counsel for the Delaware Valley Regional Planning Commission. By virtue of this appointment, my duties will include the furnishing of legal opinions to the D.V.R.P.C., which operates pursuant to Federal legislation as a bi-State Agency under a compact between the State of New Jersey and the Commonwealth of Pennsylvania.

Under the circumstances, I believe I should relinquish my membership in the House, and I respectfully request that my resignation be effective immediately.

I hope, as all of us hope, that my participation in the legislative process may have contributed in some small measure to the general welfare, and to the security of our people and our State. I know that my legislative duties have so shaped my life and my thinking that I shall remember those experiences all the days of my life.

Respectfully submitted,
JOSEPH H. ENOS.

Assembly Bill No. 25

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 25, with my objections, for reconsideration.

This bill would provide immunity for motion picture projectionists from penalties in connection with the showing of indecent or obscene motion pictures, provided the projectionist has no financial interest in the motion picture theater wherein he is so employed, other than his wages.

The statement affixed to the bill indicates that it "is intended to protect the motion picture projectionist who does not have any discretion concerning the films he projects and protects him from arrest for merely performing his job." The bill, as drafted, does not accomplish this expressed intention. As drafted, it would grant immunity in situations where the projectionist does have decision-making responsibility or authority with respect to the selection of motion pictures shown.

In my opinion, immunity from these penalties should only be granted if the projectionist:

1. Has no financial interest in the motion picture theater, and
2. Has no decision-making authority or responsibility with respect to the selection of the motion picture shown.

For this reason, I herewith return Assembly Bill No. 25 for reconsideration and recommend that it be amended as follows:

On Page 1, Section 1, Line 7: After "owed" insert "and has no decision-making authority or responsibility with respect to the selection of the motion picture show which is exhibited."

Respectfully,

[seal] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 65

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 65, with my objections for reconsideration.

This bill would make it unlawful for any person to purchase or have assigned to him the wages, salary, compensation or pay of any other person and would make such an assignment or purchase unenforceable. Violation of the act would be punishable as a misdemeanor.

It is recognized that wage and other assignments are a constant source of annoyance and irritation to employee and employer alike; their use often results in inequitable economic duress on the employee. It is further recognized that the practice should be abolished.

This bill as drafted, however, presents some problems. It fails to eliminate from its application certain circumstances under which assignments of compensation are necessary for the orderly transfer and sale of businesses or assets. Assembly Bill No. 65 also fails to prohibit specifically the actual withholding of compensation from the employee by the employer and does not provide for a return of compensation wrongfully withheld or paid; in addition it lacks a definition of the word "person."

Accordingly I am returning Assembly Bill No. 65 for reconsideration, with the recommendation that it be amended as follows:

On page 1, section 1, line 1, after "to" insert "withhold or pay to another or."

On page 1, section 1, line 2, after "him" insert ", other than by order of court,"

On page 1, section 1, line 4, delete "other person" and insert "employee."

On page 1, section 1, line 6, insert section number "2."

Amend page 1, section 1, line 6, delete "section" and insert "Act".

On page 1, section 1, after line 7, insert new sections 3 and 4 as follows:

"3. Any person withholding, paying or receiving any salary, wages, commissions, or other compensation for services performed in violation of this Act, shall be liable to the employee for the amount thereof."

"4. The term 'person' as used in this act shall include any natural person or his legal representative, partnership, corporation, company, trust, business entity or association, or any agent, employee, salesman, partner, officer, director, member, stockholder, or associate acting on behalf thereof."

On page 1, section 1, line 8, insert number "5."

On page 1, section 2, line 1, delete "2." and insert "6."

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 496 (2nd OCR)

To the General Assembly:

Pursuant to Article V. Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 496 (2nd OCR), without my approval, for reconsideration.

This bill would require by legislation in all residential, commercial and public buildings the use of safety-glazed material, including tempered and laminated glass, wire glass or rigid plastic, in glass doors, sliding glass doors and adjacent fixed glazed panels which might be mistaken for means of ingress or egress, storm doors, shower doors, and tub enclosures, and in any other area where its absence would constitute a hazard as determined by the Commissioner of Labor and Industry. The bill would give total responsibility for enforcement and regulation to the Department of Labor and Industry, which presently has jurisdiction only over Worker Health and Safety but does not have responsibility for residential and public buildings or strictly office buildings. It would remove jurisdiction from other State Departments, such as Community Affairs and Education, which have expertise in the area, as well as from municipal governments. Violations of the act are made disorderly persons offenses, which are cognizable in the criminal courts.

In concept, this bill is similar to Assembly Bill No. 484 of 1969, which was vetoed by then Governor Richard Hughes on November 17, 1969.

I am certainly in accord with the concept of protecting individuals from injury and that the use of safety glazed material is desirable in the areas intended to be covered by the bill and should be encouraged. It is my belief that this bill in its present form fails to provide the flexibility and the type of protection that is needed. This bill also fails to provide for marking of the glass or material used in entrance-ways and adjacent areas to alert persons of a glass or transparent partition. I believe this deficiency should be corrected. It also may create a false sense of security. Material meeting the standards referred to in the bill will break. Thus, cuts, concussions, contusions and fractured noses are possibilities. The bill also assumes that preventive measures, such as grille work, raised kick plates and similar measures are not in use or available to minimize the possibility of injuries in existing dwellings and those constructed in the future.

Assembly Bill No. 496 (2nd OCR) has serious deficiencies in the area of enforcement and duplicates many provisions of various building codes. It fails to recognize the proper division of responsibility between the various State Departments and the expertise these departments develop in their particular spheres of influence. For instance, the Department of Community Affairs has adopted regulations covering hotels and multiple dwellings (3 N.J.R. 147(e)) under the Hotel and Multiple Dwelling Health and Safety Law, P. L. 1967, c. 76 (N. J. S. 55:13A–1, et ceq.). Under the Worker Heath and Safety Act, P. L. 1965, c. 154 (N. J. S. 34:6A–1, et seq.), manufacturing and commercial establishments are subject to regulation by the Department of Labor and Industry. The State Board of Education establishes construction standards for schools and school districts (N. J. S. 18A:18–1, et seq.), and the Department of Higher Education has similar duties regarding state and county colleges. From the foregoing it can be seen that there already exists requirements for the use of safety glazed materials. I recommend that these regulations be continued under the supervision of these departments, rather than being summarily swept aside as would happen under the bill as written. Enforcement of such a law by one State Department would be extremely difficult, considering the number of existing homes and buildings, the number of potential hazardous areas, and the variety of areas involved. If local building inspectors have no enforcement powers, virtually the entire burden of enforcement would fall on the State. In my opinion local jurisdiction should be concurrent with State jurisdiction.

Presently uncovered by specific regulation, except as may be required by local building codes, are office buildings which are not part of a manufacturing building, some public buildings, and one and two-family dwellings. My recommendations would cover these areas, but under supervision of the Department of Community Affairs, rather than the Department of Labor and Industry, since Community Affairs has direct responsibility now for multiple dwellings, and one and two-family residences will primarily be affected by this legislation.

Assembly Bill No. 496 (2nd OCR) also makes it a disorderly persons offense to sell, assemble, or install glazing materials other than safety glazing material, in or for use, in any hazardous locations. Since this places the burden of enforcement on the criminal courts it appears to me undesirable. I recommend that a civil penalty be adopted which can be collected under the Penalty Enrorcement Law, but which will be sufficiently severe to insure compliance. I also recommend allowing a 90-day time period for the act to take effect to allow for sufficient preparation for implementation of the act.

I am, therefore, returning Assembly Bill No. 496 (2nd OCR) wthout my approval and recommend adoption of the following amendments:

Page 1, Title, Line 2: Delete "Labor and Industry" and insert in lieu thereof "Community Affairs".

Page 1, Section 1, Line 5: After "Z-97.1-1966" insert "and Z-97.1-1971, or the stricter thereof,".

Page 1, Section 1, Lines 6-7: Delete "Labor and Industry" and insert in lieu thereof "Community Affairs".

Page 1, Section 1, Line 13: After "buildings" insert "subject to this act,".

ASSEMBLY BILL NO. 631

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 631, with my objections, for reconsideration.

This bill provides for the installation and use of flashing blue lights on the front of motor vehicles owned by members of volunteer fire companies and the personnel of county or municipal civil defense-disaster control agencies. The use of such lights would be permitted only while the vehicle is responding to a fire or emergency call.

Insofar as this bill applies to the use of flashing blue lights by members of volunteer fire companies, I feel it accomplishes a worthwhile purpose. I note that regulations of the Division of Motor Vehicles presently permit the use of non-flashing blue lights on the personal cars of volunteer firemen when responding to fire alarms. Experience has indicated that non-flashing blue lights presently in use are not adequate to identify volunteer firemen who are responding to fire alarms.

In addition to the blue lights now permitted for volunteer firemen, flashing lights are authorized for police vehicles, ambulances, fire apparatus, wreckers and other types of service vehicles. To enlarge the authorized use of flashing lights to include county or municipal civil defense-disaster control agencies would be to permit their use by a group which is not presently authorized. While the civil defense and disaster control agencies surely and without question provide much needed service for the State in times of emergency, the added influx of permissible flashing lights may very well cause confusion at the scenes of emergencies.

It is my recommendation that Assembly Bill No. 631 be amended to limit its applicability to members of volunteer fire companies. Further, I would limit the use of such flashing lights to the situation where the vehicle is responding to a fire alarm and where the vehicle is in the custody of the volunteer fireman.

Certificates of authorization for the use of the flashing blue lights provided hereunder should be issued by the Chief Executive Officer of the volunteer fire department or company.

Accordingly I herewith return Assembly Bill No. 631 for reconsideration and recommend that it be amended as follows:

On Page 1, Section 1, Lines 2-3: after "company" delete "and any personnel of a county or municipal civil defense-disaster control agency".

On Page 1, Section 1, Line 5: after "light" delete "or lights".

On Page 1, Section 2, Line 1: before "Special" insert "The"; after "identification" delete "lights" and insert "light"; after "be" delete "operated" and insert "illuminated".

On Page 1, Section 2, Line 2: after "is" delete "being used in answering a fire or emergency call" and insert "responding to a fire alarm and is in the custody of the volunteer fireman."

On Page 1, Section 3, Line 1: Before "Special" insert "The"; after "identification" delete "lights" and insert "light"

On Page 1, Section 4, Line 1: after "than" delete "2" and insert "one"; after "identification" delete "lights" and insert "light".

On Page 1, Section 4, Line 2: after "and" delete "they" and insert "it".

On Page 1, Section 4, Line 3: after "of" delete "each" and insert "the".

On Page 1, Section 4, Line 4: before "special" insert "The"; after "identification" delete "lights" and insert "light".

On Page 1, Section 5, Lines 1-7: Delete in their entirety and insert the following: "A Certificate of Authorization for the use of a special identification light, issued by the Chief Executive Officer of the Department or Company, must be carried by the volunteer fireman while a special identification light is displayed on his vehicle."

On Page 1, Section 6, Line 1: after "display" insert "a"; after "identification" delete "lights" and insert "light".

ASSEMBLY BILL NO. 744 (2nd OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 744 (2nd OCR), with my objections, for reconsideration.

This bill requires teaching staff members of public schools to report instances of pupils using or being under the influence of drugs to the school nurse, medical inspector and the principal. The principal thereafter is required to notify the parent or guardian of the pupil, the superintendent of schools and to arrange for an immediate examination of the pupil. The examination may be conducted by a doctor selected by the parent or guardian, by the medical inspector or by such other physician as designated by the superintendent of schools.

The bill further provides that in the event the diagnosis is positive that the pupil is under the influence of drugs, the principal is required to forward a report of the diagnosis to the parent or guardian of the pupil and have the pupil return to his home as soon as possible. A copy of the report is also forwarded to the superintendent of schools.

The bill also provides immunity for teaching staff members, medical inspectors, examining physicians or any other officer or agent of the Board of Education in connection with action taken under this act.

I agree with the intent of this bill. Orderly procedure must be established for the examination of pupils in our schools who appear to be under the influence of or using or abusing drugs. Further, immunity should be given to those educational personnel who, in good faith, report such circumstances to the appropriate parties.

The bill as drafted has some technical deficiencies and is not sufficiently comprehensive. The bill refers to ''narcotic drug as defined in R. S. 24:18–2, or a depressant or stimulant drug as defined in P. L. 1966, chapter 314, section 1 (C. 24:6C–1).'' These particular sections were repealed by the ''New Jersey Controlled Dangerous Substances Act,'' P. L. 1970, chapter 226. The proper reference to these drugs should be ''controlled dangerous substances.'' The bill does correctly include the reference to chemicals or chemical compounds which release vapors or fumes which are inhaled for the purpose of causing a condition of intoxication, inebriation, excitement or other abnormal conditions of the brain or nervous system as provided in P. L. 1965, chapter 41.

The requirement for reporting use of drugs should extend not only to teaching staff members but also to school nurses or other educational personnel. These other persons have contacts with students and it would be inappropriate not to require them to report such circumstances as come to their attention. To avoid any confusion in school districts which do not have a superintendent of schools, I suggest the term ''administrative principal'' be included. The ''administrative principal'' has the responsibility of the superintendent of schools in these instances.

The bill requires examination by such other physician as designated by the superintendent of schools in any instance in which no doctor is selected by the parent or guardian of the pupil or the medical inspector of the school is not available. It is my belief that the better course of action when such other doctors are not available would be to bring the pupil to the emergency room of the nearest hospital for examination. This would avoid confusion which may result when various particular doctors are not available.

As drafted the bill would require that a copy of the examining doctors report be furnished to the parent or guardian only in the event that the diagnosis is positive that the pupil is under the influence of drugs. I would recommend that a written report of the examination be furnished by the examining physician to the parent or guardian of the pupil regardless of the diagnosis. Such report should be furnished within 24 hours of the examination.

The bill requires that the pupil be returned to his home when the diagnosis of being under the influence of drugs is positive. No provision is made for the return of the pupil to the school. I recommend that such pupils be permitted to resume attendance at school upon the submission to the principal of a written report certifying that he is physically and mentally able to return to school. Such report shall be prepared by his personal physician, the medical inspector or the physician who examined him pursuant to the provisions of this act.

The immunity granted pursuant to this act should also extend to school nurses or other educational personnel who I have recommended be required to report situations of students being under the influence of drugs. The immunity granted under this act should be conditioned upon the educational personnel and medical personnel exercising the skill and care ordinarily required and exercised by others in their position.

Accordingly, I herewith return Assembly Bill No. 744 (2nd OCR) for reconsideration and recommend that it be amended as follows:

On Page 1, Section 1, Line 1: After "member" insert ", school nurse or other educational personnel".

On Page 1, Section 1, Lines 3-5: Delete "narcotic drug as defined in R. S. 24:18–2, or a depressant or stimulant drug as defined in P. L. 1966, chapter 314, section 1 (C. 24 :6C–1)" and insert "controlled dangerous substance as defined in P. L. 1970, chapter 226, section 1(C. 24:21–1)".

On Page 1, Section 1, Line 13: After "such" insert "teaching staff"; after "member" insert ", school nurse or other educational personnel".

On Page 1, Section 1, Line 14: After "inspector" insert ", as the case may be".

On Page 1, Section 1, Line 17: After "one," insert "or the administrative principal".

On Page 1, Section 1, Line 18: Delete "or" and insert "for".

On Page 1, Section 1, Line 18B: After "available" (at the end of the line) delete "," and insert a period.

On Page 1, Section 1, Lines 18C–20: Delete "or by such other physician as shall be designated by the superintendent of schools, if there be one, or the board of education, who shall examine" and insert "If such doctor or medical inspector is not immediately available, the pupil shall be taken to the emergency room of the nearest hospital for examination accompanied by a member of the school staff designated by the principal and a parent or guardian of the pupil if available."

On Page 1, Section 1, Line 20: After "examine" delete "the" and insert "The"; after "pupil" insert "shall be examined".

On Page 2, Section 1, Line 22: After "fluence." insert "A written report of said examination shall be furnished within 24 hours by the examining physician to the parent or guardian of the pupil and to the superintendent of schools or administrative principal."

On Page 2, Section 1, Lines 22-24: Delete "the principal shall forthwith report the same to the parent or guardian of the pupil, arrange to have".

On Page 2, Section 1, Line 24: After "pupil" insert "shall be".

On Page 2, Section 1, Lines 24-25: After "possible" delete ", and report the same to the superintendent of schools" and insert "and appropriate data shall be furnished to the Department of Health pursuant to the "Controlled Dangerous Substances Registry Act of 1970, P. L. 1970, chapter 227 (C. 26:2G–17, etc.). The pupil shall not resume attendance at school until he submits to the principal a written report certifying that he is physically and mentally able to return thereto, which report shall be prepared by his personal physician, the medical inspector or the physician who examined him pursuant to the provisions of this act."

ASSEMBLY BILL NO. 873

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 873, with my objections, for reconsideration.

Assembly Bill No. 873 provides for the qualification and certification of municipal finance officers and, additionally, would enable the governing body of a municipality to create the office of municipal finance officer by ordinance. The object of this bill which is to encourage increased professionalism within this key position is highly desirable.

I note, however, in my review of this bill, that sections 6 and 7, while authorizing municipalities to establish the office of municipal finance officer by ordinance failed to provide safeguards for those individuals presently employed in the performance of duties which would belong to the municipal finance officer, if such a position were created. I believe that this might result in a number of highly competent people being unduly prejudiced by the creation of the office of municipal finance officer by ordinance. If at some time in the future the Legislature, in its wisdom, chooses to allow the governing body of a municipality to create by ordinance the office of municipal finance officer, I would respectfully recommend that they provide the necessary safeguards to protect those serving at that time.

Accordingly, I herewith return Assembly Bill No. 873, and respectfully recommend the following changes:

Pages 2 and 3, Section 6, Lines 1-9: Omit in its entirety.

Page 3, Section 7, Lines 1-7: Omit in its entirety.

ASSEMBLY BILL NO. 878

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 878, with my objections, for reconsideration.

This bill provides "cost-of-living increases" for retired persons receiving pension benefits under non-contributory pension acts in the same manner as increases are provided for members of the State-adminstered pension systems under the "Pension Increase Act."

I agree that these retirants should receive increases in their pensions as the cost of living rises. The bill has some defects which should be corrected prior to signing.

As drafted, the bill would provide "cost-of-living increases" for persons receiving pension under the "General Non-Contributory Pension Act." It would not provide these increases for persons who retired under the nearly 100 separate non-contributory pension acts which were repealed by the General Act of 1955. It is my understanding the sponsor intended to provide increases for these persons as well. I agree they should be included.

Further, Section 3 of the bill provides a schedule of increases in pensions for the years 1915 through 1954. This schedule conforms to the increases in pensions provided under the "Pension Increase Act." The years 1935 through 1940, however, were omitted from the bill. They should be included so that benefits for these years will be provided as intended.

The bill requires some additional changes to clarify the fact that persons retiring under non-contributory pension acts are not technically members of a retirement system. Rather, their benefits result from legislation.

Accordingly, I am returning Assembly Bill No. 878 for reconsideration with the recommendation that it be amended as follows:

On Page 1, Section 1, Line 3: After "provisions of" delete remainder of sentence and insert "the General Non-Contributory Pension Act, P. L. 1955, Chapter 263, and any acts or parts of acts repealed thereby."

On Page 2, Section 3, after Line 24: Insert the following:

"1935	137%
1936	134%
1937	126%
1938	130%
1939	134%
1940	132%"

On Page 3, Section 6, Line 10–11: Delete "by the retirement system" and insert "as a result of such other legislation".

On Page 3, Section 6, Line 14: Delete "retirement system" and insert "employer".

ASSEMBLY BILL NO. 1097

[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1097 (OCR), with my objections, for reconsideration.

This bill grants immunity to doctors and residents or interns on hospital staffs who, in good faith and using the skill and care ordinarily required and exercised, treat or attempt to treat persons dependent upon or illegally using ''controlled dangerous substances.'' Further ,it provides immunity to teachers, guidance counsellors, psychologists, registered nurses or other educational personnel in public and private schools who, in good faith, report persons to school administrators or school physicians in an attempt to cure that person's dependency upon or illegal use of ''controlled dangerous substances.''

I wholeheartedly and enthusiastically support the philosophy of this bill. The use and abuse of drugs (controlled dangerous substances) in all phases of life in the State has reached distressing proportions. This is most particularly so in our schools. To combat this distressing situation it is absolutley necessary that we have the complete cooperation of doctors and other medical personnel, as well as teachers, guidance counsellors and all educational personnel. In this regard it is incumbent that immunity from suit be granted to those medical personnel who, in good faith and using the appropriate reasonable skill and care, attempt to treat persons using and abusing drugs and, further, this immunity should extend to persons in the educational field who similarly, in good faith, report the use or misuse of drugs in efforts to help cure such persons.

The bill as drafted is not sufficiently comprehensive. The immunity granted with regard to persons in the medical field should extend as well to registered nurses and the administrative personnel of hospitals and clinics, including members of the medical staff and Board of Directors. Experience has shown that these additional persons are quite frequently subject to suits in these matters. Further, the bill is limited to drugs which are defined as "controlled dangeruos substances." It should also encompass the use and abuse of chemicals or compounds which release vapors or fumes which are inhaled for the purpose of causing a condition of intoxication, inebriation, excitement or other abnormal conditions of the brain or nervous system. This particular area is covered in P. L. 1965, chapter 41. It is separate and apart from the subject of "controlled dangerous substances" pursuant to P. L. 1970, chapter 226.

With regard to the reporting of drug use by educational personnel the term "school administrator" may be confusing. I would recommend this term be replaced by the phrase "principal or his designee." Since "medical inspector" is the proper term for school doctors in public schools, I would recommend the term "medical inspector" be added as one of the persons to whom such reports may be made. For the same reason I would also include "school nurse."

Accordingly, I herewith return Assembly Bill No. 1097 (OCR) for reconsideration and recommend that it be amended as follows:

On Page 1, Section 1, Line 1: After "osteopathy," insert "or registered nurse,"

On Page 1, Section 1, Line 5: After "substances" insert "as defined in P. L. 1970, chapter 226, section 1 (C. 24:24-1)"

On Page 1, Section 1, Line 7: After "substances," insert "or any chemical or chemical compound which releases vapor or fumes causing a condition of intoxication, inebriation, excitement, stupefaction, or dulling of the brain or nervous system, including but not limited to glue containing a solvent having the property of releasing toxic vapors or fumes, as defined in P. L. 1965, chapter 41, section 1, (C. 2A:170–25.9)"

On Page 1, Section 1, after Line 12: Insert "The grant of immunity provided for herein shall also extend to the administrative personnel including all members of the medical staff and Board of Directors of hospitals and clinics treating such persons."

On Page 1, Section 2, Line 5: Delete "school administrator" and insert "principal or his designee or to the medical inspector"

On Page 1, Section 2, Line 5: After "school physician" insert "or school nurse"

On Page 1, Section 2, Line 8: After "substances" insert "as defined in P. L. 1970, chapter 226, section 1, (C. 24:21-1), or such chemical or chemical compound as defined in P. L. 1965, chapter 41, section 1, (C. 2A:170-25.9),"

ASSEMBLY BILL NO. 1136 (Second OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1136 with my objections, for reconsideration.

Assembly Bill No. 1136 (Second OCR) would amend N. J. S. 2A:72-5 to provide that unless the assignment judge in a county specifically orders use of another method, the service of a summons for jury duty shall be by mail. The bill would also delete the coroner as one of the persons authorized to summon jurors.

Although the courts in some cases now utilize mail service of summons for jurors, rather than personal service, I believe that it is desirable to indicate a statutory preference for such mail service, with discretion in the assignment judge to consider other methods of service in appropriate cases. I also agree with the deletion of the coroner as a person to be used to serve jury summonses, since that office was abolished by Section 16 of Chapter 234 of the Laws of 1967. However, I am concerned that the present language of the bill might be construed to mean that if service by mail failed for some reason, a separate application might have to be made in each case to the assignment judge for an order. This would only serve to increase the burden on the courts.

I recommend that the language be clarified to make it clear that unless the assignment judge specifically orders use of another method, each person drawn for jury service shall be served by registered or certified mail at his usual residence or business address. It would also be desirable to provide for an alternative if the addressee refuses to claim or accept delivery of such mail service. A provision similar to this concept is contained in the Rules of Court in R. R. 4:4-4 (e).

Accordingly, I herewith return Assembly Bill No. 1136 (Second OCR) without my approval, and respectfully recommend the adoption of the following amendment:

1. *Page 1, Section 1, Lines 15-16*: Delete "to effect service, service shall be made by mail." and insert in lieu thereof ", each person drawn for jury service shall be served by registered or certified mail addressed to such juror at his usual residence or business address. If the addressee refuses to claim or to accept delivery of the registered or certified mail, service may be made personally or by leaving the same at the dwelling house of such juror."

ASSEMBLY BILL NO. 1215

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1215, without my approval, for reconsideration.

Assembly Bill No. 1215 would amend Section I of P. L. 1956, Chapter 174, to allow the State Treasurer to approve any other banking institution located within the Second or

Third Federal Reserve Districts as a place where collateral securing deposits of State funds may be kept. The present law permits such collateral to be held by the Federal Reserve Bank of Philadelphia or the Federal Reserve Bank of New York only.

It is my understanding that most New Jersey banks maintain correspondent relationships with large city banks located within the Second and Third Federal Reserve Districts (e. g., Philadelphia, New York, Camden, Newark, Paterson and Hackensack). One of the services performed by the city correspondent is providing safekeeping facilities for its client's bond portfolio. The client bank usually prefers to keep all of its bonds in safekeeping with one bank so that transfers and substitutions can readily be made between the safekeeping account and the collateral account. The danger of securities being lost through the mail and the attendant cost of mailing securities are eliminated when transfers are made between collateral and safekeeping accounts within the same bank.

Although Assembly Bill No. 1215 provides that the State Treasurer must approve each bank as a collateral depository, it is my opinion that a guideline establishing a minimum size banking institution should be incorporated in this legislation to provide a safeguard for the collateral. The fidelity coverage carried by banks offering protection against loss from burglary, robbery or embezzlement is usually predicated upon total assets. I, therefore, recommend that the enabling legislation should be limited to banks with assets in excess of $300,000,000.

I also recommend that a restriction be added to the bill to the effect that no bank shall be permitted to hold securities of the kind described in the bill, as security for public moneys on deposit in the same bank.

Accordingly, I herewith return Assembly Bill No. 1215 for reconsideration and recommend that it be amended as follows:

1. *Page 2, Section 1, Line 28*: After "institution" insert "with total assets in excess of $300,000,000".

2. *Page 2, Section 1, Line 33*: After "deposit." insert "No bank shall be permitted to hold securities, of the kind

held hereinbefore described, as security for public moneys on deposit in the same bank."

ASSEMBLY BILL NO. 1275

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1275, without my approval, for reconsideration.

Assembly Bill No. 1275 would amend R. S. 50:2–3 to provide that the license fee for taking oysters or clams shall be not more than $1.00 nor more than $10.00 for residents, and shall be $25.00 for non-residents. It is my belief that the fixing of fees of this nature for residents should be subject to the approval of the Commissioner of the Department of Environmental Protection. In addition, the functions, powers, and duties of the old Board of Shell Fisheries were transferred, by virtue of Section 7 of Chapter 33 of the Laws of 1970 to the Division of Fish, Game and Shell Fisheries. See Section 19 of P. L. 1945, Chapter 22 and Section 93 of P. L. 1948, Chapter 448. The reference in the statute should be corrected to reflect this transfer.

Accordingly, I herewith return Assembly Bill No. 1275 without my approval and respectfully recommend the adoption of the following amendments:

1. *Page 1, Section 1, Line 2:* Delete "board" and insert "Division of Fish, Game and Shell Fisheries".

2. *Page 1, Section 1, Line 3:* After "time" insert ", subject to approval of the Commissioner of the Department of Environmental Protection,".

ASSEMBLY BILL NO. 1283 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1283 (OCR), with my objections, for reconsideration.

This bill would permit special marine patrolmen in the Department of Environmental Protection to carry firearms in the performance of their duties as authorized by their superior officers.

Marine patrolmen, including special appointees, are becoming involved in investigating incidents of thefts of boats and items from boats. They are involved in patrolling waterfront property during hours of darkness. They should be armed while engaged in this hazardous work.

In review of this legislation, there was initial concern over a possible lack of centralized control over the authorization of special marine patrolmen to carry firearms. Some question also existed as to the training and qualification of these men.

It is my understanding that "marine police" have been recently consolidated with other enforcement officers in a new Bureau of Marine Law Enforcement in the Department of Environmental Protection. A program of training in the use of firearms will be provided. Authorization to carry firearms will be on an individual basis and only after the special policeman has demonstrated his qualifications. This will go a long way toward providing control in this area.

In addition, it is my recommendation that the bill be amended to give the Commissioner of Environmental Protection, or his designated representative, authority to make the ultimate decision on arming individual special marine patrolmen rather than various superior officers. In this manner, consistent policy can be established and adhered to.

Also, the bill has a technical defect in that it does not reflect a recent amendment of this section (N. J. S. 2A:151-43) (P. L. 1940, c. 245).

Accordingly, I herewith return Assembly Bill No. 1283 (OCR) for reconsideration and recommend that it be amended as follows:

Page 3, Section 1, Line 67: After " ;" omit "or".

Page 3, Section 1, Line 72: After "firearms by" delete "their superior officers" and insert "the Commissioner of Environmental Protection or his designated representative".

Page 3, Section 1, Line 73: After "duties" omit the period and insert " ; or".

Page 3, Section 1, after Line 73: Insert a paragraph as follows:

"u. Licensed retail dealers in firearms and their registered employees during the course of their normal business while traveling to and from their place of business and other places for the purpose of demonstration, exhibition or delivery in connection with a sale; provided any such weapon so carried shall be unloaded and wrapped in a case, box or other container."

ASSEMBLY BILL NO. 2096

[OFFICIAL COPY REPRINT]

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 2096 (OCR) with my objections, for reconsideration.

Assembly Bill No. 2096 (OCR) would create a ''Pinelands Environmental Commission'' as a State agency, in but not of the Department of Environmental Protection, with broad jurisdiction, powers and duties. By its terms it would be independent of departmental control. The Commission would be composed of 15 members with representatives of various interests in Burlington and Ocean County, as well as including the Commissioner of Environmental Protection. The Commission's jurisdiction would include a large portion of the pinelands in Burlington and Ocean Counties. It would be charged with preparing a comprehensive development plan for the region and would review proposals for development, raise appropriate objections, and cause unsatisfactory proposals to be further considered. The bill authorizes public hearings on such matters. It also authorizes the bringing of actions to enjoin violations of the act.

A major objective of this bill is protection of water resources and other natural assets of the pinelands region. I believe that the purpose of this bill is desirable and that the planning efforts would encourage more thoughtful development, taking into account environmental protection. However, there are certain technical changes which should be made. The bill also includes within the pinelands region land within two state forests. This is a highly undesirable duplication of effort and would require the unnecessary expenditure of funds. Lands within the state forest are adequately protected by the State Department of Environmental Protection and reference to state owned lands should be deleted.

Certain other amendments are suggested. I believe that the regulatory body created under this act should more appropriately be called "Pinelands Environmental Council." The excessive use of the term "commission," and the appointment of "commissioners," has the effect of diluting the status of the commissioners of the various state departments and creating confusion. Thus, I make the recommendation that the term council be used. The council is charged with preparing comprehensive plans. These plans should also have to be filed with the State agencies represented on the council as well as with the various local governments which may be affected. The references in Section 15 (f) to the effective date of the act as not being applicable until review standards have been adopted appears erroneous and should be changed to "section."

In addition, since state funds are to be involved, there should be the usual requirement and opportunity for state budget review. I believe that there should be an equal sharing in the contribution of funds, with the state sharing one-half of the appropriation and local funds making up the balance in view of the strong regional approach and emphasis on local representation. Finally, rather than take effect immediately, I suggest that the act take effect 90 days after enactment to allow time to prepare for its implementation.

Accordingly, I herewith return Assembly Bill No. 2096 (OCR) for reconsideration, and recommend that it be amended as follows:

1. *Page 1, Title:* After "Environmental" on the first line of the Title delete "Commission" and insert in lieu thereof "Council".

ASSEMBLY BILL NO. 2154

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution I herewith return Assembly Bill No. 2154, with my objections, for reconsideration.

Assembly Bill No. 2154 provides for the granting of leaves of absence to any person employed by the State, county or municipality or by any mass transportation facility who is summoned for jury service. The employee would be entitled to receive his full compensation for each day of jury service, less the juror fee paid. The bill also amends N. J. S. 22A:1-3 requiring that in addition to per diem juror's fee, a mileage allowance be paid to the juror.

The purpose of this legislation is commendable, as it would serve to encourage citizens to fulfill their duty of jury service without any financial loss. I note, however, that there are certain technical difficulties which would complicate the administration of this act. In the classified service, the term ''leaves of absence'' is a formal phrase meaning extended continuous leaves of absence from work. Most governmental employees are presently released for jury duty only on those days when they actually serve on a jury. In the event that they are excused by the court at the beginning of the day, they are required to return to work. Additionally, the revised Civil Service Rules, N. J. A. C. 4:17–8, presently allows State employees time off for jury service without loss of pay and juror fees are not deducted. This is also true in many local governments.

If this bill were to be signed in its present form, it would result in reduced benefits to public employees.

Accordingly, I respectfully recommend the following changes in Assembly Bill No. 2154:

Page 1, Section 1, Line 4: After ''be'' delete ''granted'', insert ''excused''.

Page 1, Section 1, Line 5: Delete ''leave of absence''.

Page 1, Section 1, Line 8: After ''is'' delete ''on leave of absence'' insert ''excused''.

Page 1, Section 1, Line 9: After ''service'' insert '', or at least his actual compensation,''

Respectfully,

ASSEMBLY BILL NO. 2226

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 2226 (OCR), without my approval, for reconsideration.

Assembly Bill No. 2226 (OCR) would amend R. S. 39:4–128 to eliminate the requirement for omnibuses, and certain other vehicles, to stop at railroad grade crossings which have been abandoned or "not in use."

I agree with the purpose of the bill, which is to promote a smooth and uninterrupted flow of traffic by advising motorists that a railroad crossing is inactive.

There are several ways in which the objective of the bill can be reached. Rather than proliferating signs, it would seem desirable to provide for the removal of tracks or their paving over and removing of notice signs in those cases. This would encourage the beautification of highways and removal of unnecessary distractions. Removal or paving of the tracks would also be a safety measure. In addition, I believe the language "not in use" is vague and should be changed to state "no longer used for any railroad traffic."

Accordingly, I herewith return Assembly Bill No. 2226 (OCR) without my approval and respectfully recommend the adoption of the following amendments:

1. *Page 1, Section 1, Line 20A*: Delete "not in use" and insert in lieu thereof "no longer used for any railroad traffic. This section shall also not apply to grade crossings where the railroad track has been removed or paved over and the warning signs erected by the railroad in accordance with R. S. 48:12–58 have been removed, providing that in such case written notice is given to the Board of Public Utility Commissioners and to the appropriate state or local authority having jurisdiction over the highway, road, or street prior to the undertaking of such removal or paving of railroad track."

2. *Page 3, Section 2, Line 10*: After "Crossing." insert a new sentence as follows: "When the railroad track has been removed or paved over at an abandoned grade crossing, no sign shall be required."

Assembly Joint Resolution No. 15

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Joint Resolution No. 15, with my objections, for reconsideration.

Assembly Joint Resolution No. 15 provides for the creation of a 12-member commission to discover and study the causes resulting in public school children doing work below grade level. This bill mandated the commission to report its findings and recommendations to the Governor and the Legislature not later than January 31, 1971. However, this Resolution was not finally approved by the Legislature until April 26, 1971. It is certainly necessary to grant the commission an adequate amount of time to enable it to completely evaluate the complex problems which result in school children working below grade level.

Accordingly, I respectfully recommend the following change in Assembly Joint Resolution No. 15:

Page 2, Section 5, Line 4: After "than" delete "January 31, 1971" and insert "July 31, 1972".

ASSEMBLY BILL NO. 619

[SECOND OFFICAL COPY REPRINT]

(CORRECTED COPY)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 619 (2nd OCR) Corrected Copy, with my objections, for reconsideration.

This bill broadens the law providing for real property tax exemptions for veterans having service-connected permanent physical disabilities. Presently, only specifically enumerated disabilities are included.

A-619 (2nd OCR) Corrected Copy would extend the exemption to all veterans having disabilities declared by the Veterans Administration to be total or 100%, provided they do not have an income in excess of $5,000 per year.

I fully support the concept of this bill. The exemption should extend to all 100% service-incurred disabilities and not be limited to a specific few. As drafted, however, the bill does not provide the exemption for disabled veterans of the Vietnam conflict. It is my strong belief that they should be included. I urge the Legislature to amend the bill to include them.

In addition , the ''$5,000 earnings test'' for veterans with 100% disability is arbitrary and does not comport with the aim of the bill to broaden the area of tax exemptions for disabled veterans. It is my recommendation that the ''earnings test'' for these veterans be removed so that all our seriously disabled veterans will be treated equally and uniformly.

Finally, the law granting the tax exemption is limited to ''permanent disability.'' This legislation is not specific in this regard. I recommend that the new provision be made consistent with existing law and the 100% disability pertain to a ''permanent disability.''

Accordingly, I herewith return Assembly Bill No. 619 (2nd OCR) Corrected Copy for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 19: After ''100%'' insert ''permanent''.

Page 2, Section 1, Lines 27-31: Delete '' ; provided that no exemption shall be granted hereunder to any taxpayer having an income in excess of $5,000.00 per year and claiming such exemption solely by reason of a service-connected disability declared by the United States Veterans' Administration or its successor to be a total or 100% disability,''

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
December 2, 1971.

ASSEMBLY BILL NO. 2063 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 2063 (OCR), with my objections, for reconsideration.

This bill would regulate the conduct of parties to franchise agreements.

Arrangements involving the use of trademarks and related characteristics in which there is a community of interest in the marketing of goods or services would be held to be franchises in the contemplation of this bill. Franchises with gross receipts of less than $35,000 or which do not have a place of business in New Jersey for the display and sale of the franchisor's goods or services are excluded from the bill.

Assembly Bill No. 2063 (OCR) is a far-reaching bill and would make the following substantial changes:

1. A franchisor would be prohibited from terminating, cancelling or failing to renew a franchise unless the franchisee had failed to substantially comply with requirements imposed on him by the franchise, which requirements must be reasonable and non-discriminatory. Further, 60 days' notice to do so must be given by the franchisor. Lesser notice is required in limited situations.

2. In the event of a proposed sale, transfer or assignment of a franchise, the franchisor, if he objects, is required to set forth in writing his reasons relating to the character, financial ability or business experience of the proposed transferee. Immunity from suit is granted with regard to the statement of any such reasons.

3. Where a franchisor has designated a particular geographical area for a franchisee, he is precluded from granting an additional franchise in such area unless the franchisee has failed to substantially comply with reason-

able and non-discriminatory requirements of the franchise. 180 days' notice is also required.

4. The bill would also prohibit the franchisor from:
    a) requiring releases, novations, etc., to relieve liability under the act.
    b) prohibiting the right of free association among franchisees.
    c) requiring changes in management without good cause.
    d) interfering in the sale or issuance of stock in corporate franchises.
    e) imposing unreasonable standards of performance upon a franchisee.
    f) providing terms or conditions in an agreement collateral or ancillary to a franchise which violate the act.

A right of action by a franchisee for damages and injunctive relief for violation is provided. The failure of a franchisee to comply with reasonable and non-discriminatory requirements of the franchise would be a defense for the franchisor to any such action.

The act would not apply to franchises for a definite period of time granted prior to its effective date but would apply to amendments and renewals of existing franchises.

The language in the bill dealing with termination, cancellation and non-renewal (Section 5) is unclear and subject to more than one interpretation. It would appear that a franchise could be terminated, cancelled or not renewed without qualification provided the appropriate notice was given. On the other hand, the same section provides a complete defense to the franchisor if he can prove that the stated reasons for his actions were for good cause, which is limited to a failure by the franchisee to substantially comply with reasonable and non-discriminatory provisions of the franchise. This latter provision is a strong indication that termination, cancellation and non-renewal require good cause. It is my recommendation that this language be clarified to positively state that it shall be a violation of the act for a franchisor to terminate, cancel or fail to renew a franchise without good cause. Further, the language requiring the franchisor to prove that the terms of the franchise agreement are ''reasonable and non-discriminatory'' is, in itself, unreasonable. It places the franchisor in the position of having to comply with the terms of the agreement but suffer the possibility that the franchisee will not have to comply unless the franchisor can, at all times, shoulder this burden. It is my feeling that the terms ''reasonable and non-discriminatory'' be deleted from the bill.

In the event a franchisor opposes the transfer, assignment or sale of a franchise, he is again required to show that his reason for opposing the proposed transfer, assignment or sale are ''reasonable and non-discriminatory.'' I would delete this phrase for the same reason indicated above. In addition, I would require that any such purchaser of a franchise agree, in writing, to comply with all the requirements of the existing franchise.

The provision of the bill (Section 7) which precludes a franchisor from granting an additional franchise where he has designated a franchisee's geographical area have the effect of sanctioning a restriction on competition which I feel is unwise from the standpoint of public policy. Moreover, this provision conflicts with the federal anti-trust laws which would prohibit such an agreement if it were unreasonable considering the economic structure of the industry, the geographical scope of the exclusive territory and the length of the agreement. I recommend this entire section be deleted from the bill.

Section 8a, which prohibits a franchisor from requiring a franchisee to assent to a release, assignment, novation waiver or estoppel and thus relieve any person from liability imposed by the act, has an unintended result. It would effectively prohibit parties from settling disputes by way of new agreements or releases for a consideration. It is my understanding that the intent is to prohibit the compelling of such releases on waivers of liability at the time the franchise is entered into. I recommend that the language of the bill be amended to comply with this intent.

Section 8d would prohibit a franchisor from interfering with the sale of stock of a corporate franchise. This provision would have the effect of circumventing any control the franchisor has over the sale of the franchise. It would be a simple matter to sell the controlling interest in the form of shares of stock. It is my recommendation that sale or transfer of stock of a corporate franchise be limited to the family or employees of the franchisee provided the basic financial requirements of the franchisor are complied with and provided further such sale of stock does not have the effect of accomplishing a sale of the franchise.

Section 9 of the bill provides that the act shall not apply to a franchise for a definite period of time granted prior to its effective date. As drafted, this language infers that the act would apply to franchises for an ''indefinite period of time'' granted prior to the effective date. If such were the case, it would have the effect of impairing the obligation of existing contracts. This is prohibited by both the United States and New Jersey Constitution. It is my recommendation that this language be amended so that the act shall not apply to any existing franchises. It is to be noted, however, that any amendment or renewal of an existing franchise after the effective date of this act would come within the provisions of the act.

Section 9 of the bill provides a defense for a franchisor to actions hereunder if it is shown that the franchisee failed to substantially comply with ''reasonable and non-discriminatory'' requirements imposed by the franchise. For reasons previously stated, it is my recommendation that the term ''reasonable and non-discriminatory'' be deleted from this section. In addition, in many instances ancillary and collateral agreements accompany a franchise agreement. The same defense should be made available to a franchisor for violations of these ancillary and collateral agreements.

Finally, the bill as drafted would apply to ''oral agreements.'' It is my feeling that a law so far-reaching should be limited to agreements reduced to writing.

It is my belief that this bill as originally presented to me had the potential of adversely affecting consumers. It would tend to insulate franchisees from any control by franchisors. This would not best serve the interests of the consuming public.

On the other hand, I am concerned over the plight of franchisees who have devote their lifetime and considerable money to building a business. They should be protected against indiscriminate terminations and cancellations by franchisors.

With the amendments I am recommending, the ultimate consumer is protected and the great existing disparity between franchisors and franchisees is modified through assisting the franchisee without unduly restricting the franchisors.

Accordingly, I herewith return Assembly Bill No. 2063 (OCR) for reconsideration and recommend that it be amended as follows:

Page 1, Section 3, Line 2: After "means" delete "an oral or" and insert "a"

Page 2, Section 5, Lines 18–19: Delete "complete defense under this act for the franchisor to prove that the stated reasons were for" and insert "violation of this act for a franchisor to terminate, cancel or fail to renew a franchise without"

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor,
Attest:
/s/ JEAN *E.* MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

On motion of Mr. Vander Plaat Assembly No. 2063 was given first reading for the purpose of reenactment in accordance with the Governor's recommendations.

On motion of Mr. Vander Plaat the rules were suspended and Assembly No. 2063 was advanced to second reading by special order, and amended in accordance with the Governor's recommendations.

The following bill was given second reading by special order:

Assembly No. 2063, as amended pursuant to the Governor's recommendations.

Mr. Costa offered the following resolution, which was read by the Clerk and adopted by the following vote:

Pursuant to Paragraph 6 of Section IV of Article IV of the Constitution, the General Assembly does resolve that Assembly No. 2063, as amended pursuant to the Governor's recommendations, is an emergency measure and that it proceed forthwith from second to third reading.

In the affirmative were—

Messrs. Azzolina, Black, Brown, Cafiero, Cobb, Coleman, Connell, Costa, Cox, Curcio, Dawes, De Korte, Deverin, Dickey, Dugan, Esposito, Evers, Ewing, Fay, Fenwick, Fiore, Florio, Fontanella, Foran, Friedland, Garibaldi, Gavan, Goldfarb, Haelig, Healey, Higgins, Hirkala, Hollenbeck, Horn, Hurley, Jackman, Kean, Kiehn, Kravarik, LeFante, Littell, Mabie, Macrae, Margetts, McDonough, Merlino, Owens, Parker (Speaker), Pfaltz, Policastro, Rinaldi, Russo, Schluter, Smith, Turner, Volk, Weidel, White, Wilson, Woodson —60.

In the negative were—

Messrs. Kaltenbacher, Robertson, Thomas—3.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,

ASSEMBLY BILL NO. 1118 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 1118 (OCR), with my objections, for reconsideration.

This bill amends the Essex County Retirement System Act primarily to increase the maximum survivor's benefits paid upon the death of a member from $2,500.00 to 50% of his final compensation. In addition, certain administrative changes are made.

Such a survivor's benefit of 50% of the deceased employee's final compensation would far exceed survivor benefits provided in other public retirement systems which are limited to 25% of the deceased member's final compensation. I would similarly limit the maximum benefit in this system to 25%.

Accordingly, I am returning Assembly Bill No. 1118 (OCR) with the recommendation that it be amended as follows:

On Page 2, Section 1, Line 25: Delete "50", insert "25".

Respectfully

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
December 2, 1971.

ASSEMBLY BILL NO. 504

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I hereby return Assembly Bill No. 504 with my objections, for reconsideration.

Assembly Bill No. 504 would revise the Eminent Domain Laws of New Jersey to make uniform the legal requirements for all entities and agencies having the power to condemn. The bill would increase protection to the citizen whose property is condemned. I concur in this legislation and compliment the Legislature for its passage. However, I cannot approve Assembly Bill No. 504 in its present form because among other things it does not comply with several requirements of federal law which could result in the diminution of federal-aid monies vitally needed by our highway programs. There are also some technical errors in the bill which should be eliminated to reduce confusion. Several provisions in the existing law were repealed by the bill as passed when modification rather than repeal was necessary. The desired result will be accomplished by the suggested amendments.

Accordingly, I am returning Assembly Bill No. 504 for reconsideration and recommend that it be amended as follows:

Page 3, section 4, line 1: After "effect" delete "60 days next" and insert "immediately".

Page 3, section 5, line 7: After "action." delete the remainder of line 7 through line 10.

"38. Blighted areas. The value of any land or other property being acquired in connection with development or redevelopment of a blighted area shall be no less than the value as of the date of the declaration of blight by the governing body upon a report by a planning board."

"39. Housing authority or redevelopment agency; declaration of taking. Upon the institution of an action by a housing authority or redevelopment agency to fix the compensation to be paid, or at any time thereafter, a duly authorized officer or agent of the housing authority or redevelopment agency may file with the Clerk of the Superior Court a declaration of taking in the manner provided by this act."

"40. Acquisitions by State colleges; declaration of taking. Whenever a State college is authorized by law to acquire lands or rights therein, the Director of the Division of Purchase and Property may acquire such lands or right therein by gift, devise, purchase, or by condemnation in the manner provided by this act.

"41. Lands etc. needed for defense or for airports; declaration of taking. Whenever the State or any commission, official, board or body thereof or any county or municipality shall determine to acquire lands, easements, rights-of-way or other property to be used by the United States of America, the State of New Jersey or said county or municipality, for furthering national or State defense, or for developing or building airports or providing surface or aerial approaches thereto, by condemnation pursuant to this Act, and shall represent to the court that it is necessary for such purposes that the plaintiff enter into possession of the same immediately, the plaintiff may, with leave of court, file with the Clerk of the Superior Court a declaration of taking in the manner provided for by this Act."

"42. Recovery of taxes or other municipal liens or charges. The provisions of this act shall not be construed to prevent any municipality from retaining from or recovering out of any moneys paid by it into court, under this act, any sum or sums due to such municipality, for taxes or other municipal liens or charges against any property taken in condemnation."

"43. Right of owner to recover amount awarded; lien. The report of the commissioners together with the order or judgment appointing them, or a copy thereof certified by the Clerk of the court, shall be plenary evidence of the right of the owner of the land or other property taken to recover the amount awarded with interest and costs, in the action or in an action in any court of competent jurisdiction to be instituted against the plaintiff after failure to pay the same for twenty days after the filing of the report, and shall from the time of filing the report be enforceable as a lien upon the land or property taken and any improvements thereon."

"44. Payment of amount of judgment on appeal; right to possession; lien, other remedies. The amount of the judgment on the appeal, or so much thereof as shall not have been paid, shall be paid to the parties entitled thereto or paid into court as provided in section 34 of this act.

If possession shall not have been taken theretofore, the plaintiff, upon payment as aforesaid, may, notwithstanding any further appeal or other proceedings, take possession of the lands or other property for the purposes for which the same was authorized to be taken.

The persons entitled to receive payment of the judgment shall be entitled to the same lien as is provided in section 34 of this act for the collection of awards of commissioners and shall have such other remedies as may be appropriate for the recovery of the same."

"45. Condemnation of public utility property by municipality; after acquired property and improvements. Where an award has been made in an action by a municipality for the condemnation of property of a public utility company and the award has been paid to the parties entitled thereto or the amount thereof paid into court, the municipality, in addition to having the right to take possession of the property so condemned, may take possession of such other property as the company has acquired, and any improvements made in its plant, since the commencement of the action, in advance of making compensation therefor, provided the municipality cannot acquire said property and improvements by agreement with the owner, either by reason of disagreement as to price, or the legal incapacity or absence of the owner, or his inability to convey valid title, or by reason of any other cause.

Upon a municipality exercising this right and entering upon and taking the after-acquired property and improvements in advance of making compensation therefor, the municipality shall apply to the commissioners therefore appointed in the action to fix the compensation to be paid the persons interested for the after-acquired property and improvements. Thereupon the commissioners shall make a just and equitable appraisement of the value of all such after-acquired property and improvements and damages if any, in accordance with this act. Upon the making of the award the municipality shall pay the amount thereof unless an appeal is taken therefrom to the Superior Court as provided for in section 13 of this act, in which case the amount of the award shall be paid upon final determination thereof."

"46. Sidewalks; lands condemned for highways to include; condemnation of lands for sidewalks. Unless otherwise particularly specified in the resolution, map, complaint and other proceedings for the acquiring of land or rights of way, or both, for public highways in the manner set forth in this act the boundary lines of the said road and highways, or portion thereof so taken and acquired, shall include within the boundaries thereof all land necessary and desired for the locating of sidewalks or other space then needed, or thereafter to be utilized as sidewalk, and whether the same shall then or thereafter be intended to be paved for use by pedestrians as sidewalks.

All land lying outside of and adjoining the outer boundary lines of any public road or highway, the boundaries of which have been established according to law prior to April twenty-eighth, one thousand nine hundred and thirty-one, and which lands or the use thereof shall be required for the purpose of laying out, grading and constructing sidewalks for the use of pedestrians, shall be taken, acquired and occupied from and as against the rightful owner thereof, only in accordance with this act and upon paying compensation therefor, to be fixed and determined in the manner prescribed by this act.

Nothing in this section shall limit or impair or deprive any municipality or county of the right to ordain or order the grading and the construction of a paved surface for any sidewalk above referred to, and the assessing of the proportionate cost thereof, against the owner of the property thereby improved, as a local public improvement in the manner now provided by law.''

''47. Where land or other property is taken or to be taken by a municipal corporation or other public body for public improvement and payment of the compensation for the land or other property and damages is authorized by statute to be set off against or made wholly or partially in benefits to be assessed for the same improvement, the municipal corporation or other body may elect to proceed under such statute and on such election the proceeding shall not be governed by this chapter, except as provided by such statute.

ASSEMBLY BILL NO. 148

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 148 with my objections, for reconsideration.

Assembly Bill No. 148 would increase the present 5-year statute of limitations to 10 years for all workmen's compensation claims due to occupational diseases. Over the years, the statutory period for filing workmen's compensation claims in occupational disease cases has gradually increased to its present level of 5 years. This is the first time that a 10-year proposal has passed the Legislature.

It is certainly true that certain latent diseases do not manifest themselves for several years after exposure. The present law contained in R. S. 34:15–34 presently has no time limitation on radiation claims because the subtle long-term effects of radiation exposure have been recognized. It is my belief that certain latent occupational diseases should be treated in the same category as radiation poisoning. Therefore, I recommend that the following occupational diseases be treated the same as radiation poisoning: siderosis, anthracosis, silicosis, mercury poisoning, beryllium poisoning, chrome poisoning and lead poisoning. This treatment would mean there would be no limitation on such claims, except that the same requirement would exist as to radiation claims in that a petition would have to be filed within one year after the employee knows or ought to have known the nature of the claim disability and its relation to his employment.

Accordingly, I herewith return Assembly Bill No. 148 for reconsideration and recommend that it be amended as follows:

Page 1, Section 1, Line 23: Delete "10" and insert "5".

Page 2, Section 1, Line 32: Delete "10-year" and insert "5-year".

Page 2, Section 1, Line 35: After "poisoning" insert ", siderosis, anthracosis, silicosis, mercury poisoning, beryllium poisoning, chrome poisoning or lead poisoning,".

ASSEMBLY BILL NO. 441 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(b) of the Constitution, I herewith return Assembly Bill No. 441 (OCR), with my objections, for reconsideration.

This bill would empower local boards of health to order on behalf of landlords repairs to heating equipment for any residential unit providing 24 hours have elapsed since the tenant has listed a complaint with the local board, a bona fide attempt has been made to notify the landlord of the failure of the equipment, and the outside temperature is below 51 degrees Fahrenheit.

I favor the concept of this bill; however, I note certain language ambiguities which should be corrected. Additionally, I am recommending that the proposal conform with the "Hotel and Multiple Dwelling Law."

Accordingly, I herewith return Assembly Bill No. 441 (OCR), with the following changes, for your consideration:

1. *Page 3, Section 1, Lines 100-106:* Delete in its entirety and insert "m. To require in buildings, designed to be

occupied, or occupied, as residences by more than two families and when the owners have agreed to supply heat, that from October 1 of each year to the next succeeding May 1, every unit of dwelling space and every habitable room therein shall be maintained at least at 68 degrees Fahrenheit whenever the outside temperature falls below 55 degrees during daytime hours from 6 a.m. to 11 p.m. At times other than those specified interiors of units of dwelling space shall be maintained at least at 55 degrees Fahrenheit whenever the outside temperature falls below 40 degrees.

"In meeting the aforesaid standards, the owner shall not be responsible for heat loss and the consequent drop in the interior temperature arising out of action by the occupants in leaving windows or doors open to the exterior of the building. The owner shall be obligated to supply required fuel or energy and maintain the heating system in good operating condition so that it can supply heat as required herein notwithstanding any contractual provision seeking to delegate or shift responsibility to the occupant or third person, except that the owner shall not be required to supply fuel or energy for heating purposes to any unit where the occupant thereof agrees in writing to supply heat to his own unit of dwelling space and the said unit is served by its own exclusive heating equipment for which the source of heat can be separately computed and billed."

2. *Page 4, Section 1, Line 119:* After "health" delete " ;" and insert ", prior to which".

3. *Page 4, Section 1, Line 120:* After "made" insert "by the tenant".

4. *Page 4, Section 1, Line 121:* After "equipment" delete " ;" and insert ", the landlord has failed to take appropriate action,".

5. *Page 4, Section 1, Line 122:* Delete "51" and insert "55".

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

On motion of Mr. Hollenbeck that the bill pass the vote was as follows:

In the affirmative were—

Messrs. Azzolina, Black, Cafiero, Coleman, Connell, Cox, Curcio, De Korte, Deverin, Dickey, Esposito, Evers, Fay, Fenwick, Foran, Garibaldi, Gavan, Haelig, Higgins, Hirkala, Hollenbeck, Horn, Hurley, Jackman, Kaltenbacher, Kean, Kiehn, Kravarik, LeFante, Littell, Mabie, Macrae, McDonough, Merlino, Owens, Parker (Speaker), Pfaltz, Policastro, Raymond, Richardson, Rinaldi, Russo, Smith, Thomas, Turner, Volk, Wilson—47.

In the negative—None.

Senate No. 2095, with Assembly committee amendment, was given third reading.

On motion of Mr. Dickey that the bill pass the vote was as follows:

In the affirmative were—

Messrs. Azzolina, Black, Cafiero, Coleman, Cox, Curcio, De Korte, Deverin, Dickey, Dugan, Fay, Fenwick, Foran, Garibaldi, Gavan, Goldfarb, Haelig, Healey, Higgins, Hollenbeck, Horn, Hurley, Jackman, Kean, Kiehn, Kravarik, LeFante, Littell, Mabie, Macrae, McDonough, Merlino, Owens, Parker (Speaker), Pfaltz, Policastro, Raymond, Rinaldi, Robertson, Russo, Schluter, Smith, Thomas, Volk, Weidel, Wilson—46.

In the negative—None.

Mr. Rinaldi asked for the record on Senate No. 556, which was furnished by the Clerk.

Senate No. 556 was given third reading on April 19, 1971 and lost, and the motion to reconsider was laid on the table.

Mr. Rinaldi moved that the motion to reconsider Senate No. 556 be lifted from the table.

Which motion was lost by the following vote:

In the affirmative were—

Messrs. Azzolina, Cafiero, Coleman, Connell, Cox, Curcio, De Korte, Dickey, Evers, Ewing, Fenwick, Foran, Hollenbeck, Hurley, Kean, Kiehn, McDonough, Parker (Speaker), Pfaltz, Rinaldi, Robertson, Schluter, Smith, Turner, Weidel—25.

In the negative were—

Messrs. Deverin, Fay, Horn, Macrae, Merlino, Owens, Policastro—7.

Mr. Rinaldi moved that Senate No. 556 be reconsidered. Mr. Kean moved that the motion to reconsider be laid on the table.

On motion of Miss Cox Assembly No. 2568 was advanced to second reading by special order.

On motion of Mr. Cobb Assembly No. 2570 was advanced to second reading by special order.

On motion of Mr. Goldfarb Assembly No. 2571 was advanced to second reading by special order.

On motion of Mr. Thomas Assembly No. 2573 was advanced to second reading by special order.

ASSEMBLY BILL NO. 83

To the General Assembly:

I herewith return Assembly Bill No. 83, without my approval, for the following reasons:

This bill would preclude the suspension or revocation of the driver's license of a "commercial driver" pursuant to the point system unless and until he shall have accumulated 18 or more points within a 3-year period. A "commerical driver" is defined as one who is engaged or employed in the full-time occupation of operating a passenger automobile, commercial motor vehicle or bus for hire or in connection with the conduct of the business of the owner or lessee of such motor vehicle. A special commercial driver's license is provided for any such driver who has accumulated a total of 12 or more points but less than 18 during a 3-year period, which special license would be valid only when used during the course of the holder's employment and going to and returning therefrom.

Similar bills were passed by the Legislature in 1968 (A-216) and 1969 (A-571). Each of these bills was vetoed by Governor Hughes.

The point system is designed for the purpose of controlling drivers who repeatedly violate the traffic laws. Adequate warning is provided in the form of a notice to each driver when his point accumulation is such that one more offense would place him over the limit. A combination of two very serious violations, such as leaving the scene of an accident, reckless driving and exceeding the speed limit by 20 miles per hour, is required before the present 12 point limit is reached. Driver retraining is available if a driver does, in fact, reach the 12 point limit. He is offered the opportunity to attend a Division of Motor Vehicles Driver Improvement School in lieu of suspension. In addition, each driver who reaches the limit is entitled to a hearing before the Director of Motor Vehicles prior to suspension or revocation of his license. It is only after repeated violations following these warnings and safeguards that a driver's license is suspended and he is removed from the roads.

The provision for a "special commercial driver's license" for use only during the course of his employment, and in going to and returning therefrom, poses many problems. This special privilege can be very easily abused and the temptation for such abuse would be great. Enforcement would be impossible and, ironically, such misuse would most probably be discovered only after involvement in additional traffic violations or accidents.

In addition, this bill is inconsistent with existing law. R. S. 39:5–30 authorizes the Director of Motor Vehicles to suspend or revoke the driver's license of any person for violation of any of the provisions of Title 39, "Motor Vehicles and Traffic Regulations." It is inappropriate to prohibit the suspension of a driver's license for the commission of a combination of serious offenses (through use of the point system) and yet permit revocation for one violation without reference to the point system. Such a result defies logic.

It is true that enforcement of the point system will result in the suspension of certain motor vehicle drivers' licenses. Some will be the so-called "commercial driver." I believe, however, that for the most part "commercial drivers" are careful drivers who use good judgment and do not have to rely on legislation such as this as a substitute for safe driving habits.

For these reasons I cannot, in all good conscience, sign this legislation which will have the unfortunate consequence of permitting persistent traffic violators to continue to drive on our roads and subject other drivers to unnecessary hazards. I support the concept of driver improvement retraining of persistent traffic offenders which is embodied in the point system approach.

Accordingly, I feel that I must return Assembly Bill No. 83 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 380

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 380, without my approval.

Assembly Bill No. 380 would permit a municipal governing body, upon determination that land owned by the municipality is no longer needed for municipal purposes, to convey said property to the Girls' Club of America, Inc. for such consideration as the municipality deems advisable. In the event that the property ceases to be used by the Girls' Club, it would revert to the municipality.

Chapter 199, P. L. 1971, signed by me on June 9, 1971, provides in part for private sales of municipal property for a nominal consideration to public service organizations, including volunteer fire companies, first aid, rescue, or ambulance squads, veterans' organizations, or non-profit hospital associations. Additionally, similar conveyances can be made to any paraplegic veteran or veterans' group for construction of residences. I believe that to expand this list, no matter how worthy any individual organization might be, would be an unwise precedent.

I would point out that under another provision of Chapter 199, P. L. 1971, a municipality is authorized to grant leaseholds for a term of up to 50 years with an option to extend for an additional 25 years to non-profit organizations engaged in promoting the health, safety, morals and general welfare of the community. Worthwhile organizations such as the Girls' Club would appear to fall within this category.

Accordingly, I herewith return Assembly Bill No. 380 without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 636

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 636, without my approval.

Assembly Bill No. 636 would amend N. J. S. 18A:58-4 to grant additional financial incentives for the complete regionalization of limited purpose regional school districts. The bill would have entitled the new all purpose regional school district to a reduced local fair share rate of 8½ mills per dollar of allocated property valuation during the first 5 years of operation and a rate of 9½ mills per dollar during the second 5 years.

Unfortunately, this bill seeks to amend language which existed at the time Assembly Bill No. 636 was introduced but was amended in its entirety by c. 234, P. L. 1970, known as the "State School Incentive Equalization Aid Law."

The new formula developed by c. 234, P. L. 1970, does not include a term for computing a local fair share on the basis of property valuation.

Accordingly, I herewith return Assembly Bill No. 636, without my approval.

Respectfully,

ASSEMBLY BILL NO. 784

To the General Assembly:

I herewith return Assembly Bill No. 784, without my approval, for the following reasons:

This bill provides that "the terms 'county police' and 'police department of a county' shall include county park police."

The bill would have the very obvious effect of making all legislation and administrative rules and regulations which apply to "county police" equally applicable to "county park police." It would be, in effect, a blanket classification of these positions. This is an improper interference with the functions of the Department of Civil Service which is responsible for classifying titles, duties and compensation of positions only after appropriate investigation and comparative study.

No conclusive study has been presented, or need shown, to justify this legislation at this time.

Accordingly, I feel that I must return Assembly Bill No. 784 without my approval.

Respectfully,

ASSEMBLY BILL NO. 850

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 850, without my approval, for the following reasons.

Assembly Bill No. 850 would require the State Department of Education to supply guidelines to school districts for the teaching of drug education courses. Additionally, the school districts would file a copy of such course plan with the State Board of Education.

This bill was introduced on April 2, 1970 prior to the development of this administration's drug education program. When Assembly Bill No. 850 passed the Legislature on February 16, 1971 guidelines for drug education courses had already been developed by the Department of Education and were provided to the school districts.

In addition, Assembly Bill No. 850 is technically deficient in that it fails to reflect the changes made by Chapter 226, P. L. 1970 which in part repealed Section 1 of P. L. 1966 Chapter 314 (C. 24:66–1).

I am, therefore, returning Assembly Bill No. 850 without my approval.

ASSEMBLY BILL NO. 877 (OCR)

To the General Assembly:

I herewith return Assembly Bill No. 877 (OCR), without my approval, for the following reasons:

This bill requires persons selling frozen food at retail to indicate by label whenever it has been permitted to thaw. While I am in agreement with the intent of this legislation to provide a degree of health protection to purchasers of frozen food, I find the bill raises more problems than it solves.

Assembly. Bill No. 877 (OCR) is limited to frozen food which is "permitted" to thaw. It should also cover that which has become thawed "accidentally." Similarly, it is limited to retail sales whereas good consumer health protection requires that it include wholesale provisions and provisions concerning transporting of food from wholesale to retail and storage at retail.

In addition, the required label is not complete. Rather than merely identifying the frozen food, it should contain a prohibition against refreezing by retail establishments. A warning against refreezing by the consumer should also be included. Refreezing of once frozen food which has been permitted to thaw can have serious adverse public health consequences. This food is susceptible to bacterial growth of certain food-borne disease organisms and can result in gastrointestinal type illnesses to the consumer. These may be epidemic in nature.

Legislation such as this lends a false sense of security to consumers without really insuring the protection to which they are entitled and which they may feel is provided. Reason and good conscience dictate that we provide more than mere lip service to the health needs of our citizens, especially in the vital area of protection against unwholesome and harmful food.

I have asked the Commissioner of Health to study and make recommendations to me concerning a complete frozen food code for New Jersey. In this manner, the subject can be more appropriately handled.

Accordingly, I feel that I must return Assembly Bill No. 877 (OCR) without my approval.

Respectfully,

ASSEMBLY BILL NO. 879 (2nd OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 879 (2nd OCR) without my approval.

Assembly Bill No. 879 (2nd OCR) would require the licensing by the State Board of Medical Examiners of persons engaged in the practice of medical technology, i.e., the performing of laboratory tests the results of which are used principally by practitioners licensed by the medical and dental boards.

At present, the State Board of Medical Examiners registers bio-analytical laboratories and licenses bio-analytical laboratory directors. Assembly Bill No. 879 (2nd OCR) would extend the Board's licensing role to cover persons employed in a technical capacity in such laboratories or any other place where examinations are conducted on specimens taken from the human body to obtain information used or interpreted by practitioners of the healing arts.

In its January 1971 report, the New Jersey Professional and Occupational Licensing Study Commission recommended that the regulatory functions of the State Board of Medical Examiners in the area of laboratory analysis be transferred to the Department of Health and that such regulation be extended to others responsible for laboratory analysis. I am hopeful that legislation implementing this recommendation can be developed and placed before the Legislature during the coming session. Towards this end, I have requested the Commissioner of Health to consult with interested groups in order that the several salutory aspects of Assembly Bill No. 879 (2nd OCR) may be included in the proposed legislation.

Thus, to approve Assembly Bill No. 879 (2nd OCR) in the face of the forthcoming legislation would serve to fragment regulation in this area.

In addition, this bill contains various concepts at variance with the recommendations of the New Jersey Professional and Occupational Licensing Study Commission and the bill is deficient in that regard.

Accordingly, I herewith return Assembly Bill No. 879 (2nd OCR) without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

ASSEMBLY BILL NO. 880

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 880 without my approval.

This bill is a companion bill to Assembly Bill No. 879 (2nd OCR) which I have returned this date without my approval, and which would have provided for the licensing of persons who engage in the practice of medical technology. Since Assembly Bill No. 879 (2nd OCR) would have created a Medical Technology Advisory Committee and would have provided that one licensed medical technologist, who is a member of said Committee, would serve on the State Board of Medical Examiners, this bill has as its purpose amendment of the section concerning the composition of the Board to permit the addition of such additional member to said Board.

In view of my disapproval this date of Assembly Bill No. 879 (2nd OCR) enactment of Assembly Bill No. 880 would be unnecessary and inappropriate.

Accordingly, I herewith return Assembly Bill No. 880 without my approval.

ASSEMBLY BILL NO. 1189

To the General Assembly:

This bill provides that license plates on motor vehicles driven in New Jersey shall be painted so as to be visible at a distance of 50 feet.

This legislation would be redundant of provisions presently found in Title 39 ''Motor Vehicle and Traffic Regulation.'' R. S. 39:3-32 provides for the replacement of license plates that are not legible. R. S. 39:3-33 provides that license plates be kept clean and distinct at all times. R. S. 39:3-48(b) is especially pertinent. It provides in part that lights illuminating a license plate shall cause the license plate to be clearly legible from a distance of 50 feet to the rear.

Accordingly, I feel that I must return Assembly Bill No. 1189 without my approval.

ASSEMBLY BILL NO. 1239
[OFFICIAL COPY REPRINT]

To the General Assembly:

I herewith return Assembly Bill No. 1239 (OCR), without my approval, for the following reasons:

This bill would extend the period of time for the purchase of prior service credit by policemen or firemen seeking to purchase credit for service in a municipal police or fire department in an appointive, administrative or supervisory capacity.

I am informed by the sponsor of this bill that it was intended to permit the purchase of prior membership credit by a policeman who left the police force and thereafter returned. The bill does not accomplish its intended purpose.

An appropriate bill has been delivered to the sponsor for introduction. There is no need for further consideration of Assembly Bill No. 1239 (OCR).

Accordingly, I feel that I must return Assembly Bill No. 1239 (OCR) without my approval.

ASSEMBLY JOINT RESOLUTION NO. 2002

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Joint Resolution No. 2002, without my approval.

This Joint Resolution provides that the week of March 7 - 13, 1971 would be designated ''Save Your Vision Week'' in New Jersey.

Recognizing the importance of caring for and protecting our sight, on February 22, 1971 I issued a proclamation naming the week of March 7-13, 1971 as ''Save Your Vision Week.'' It is therefore unnecessary for me to sign AJR 2002.

ASSEMBLY JOINT RESOLUTION NO. 2008

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Joint Resolution No. 2008, without my approval.

Assembly Joint Resolution No. 2008 requests that the Governor proclaim the week of May 9 to 15, 1971 as "National Police Week" in New Jersey.

In order that we might properly honor those men and women who protect us from harm and maintain law and order, on May 10, 1971 I signed a proclamation designating the week of May 9 to 15, 1971 as "National Police Week." Therefore, the signing of AJR 2008 is unnecessary.

Accordingly, I herewith return Assembly Joint Resolution No. 2008, without my approval.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
December 6, 1971.

ASSEMBLY BILL NO. 2100

To the General Assembly:

Pursuant to Article V, Section I, paragraph 14(b) of the Constitution, I hereby return Assembly Bill No. 2100 with my objections for reconsideration.

Assembly Bill No. 2100 seeks to provide additional protections to police and firemen for work connected disabilities. In its present form it purports to cover heart disesae which is already amply covered by our Workmen's Compensation law. It also limits lung disease to tuberculosis which is too restrictive and it further fails to provide coverage in cases of death. The suggested amendments will alleviate these problems.

Accordingly, I am returning Assembly Bill No. 2100 for reconsideration and recommend that it be amended as follows:

Page 1, section 1, line 2: Delete "conditions" insert "condition", delete "hypertension".

Page 1, section 1, line 3: Delete "heart disease or tuberculosis of the", insert "a disease of the lungs or", delete "system" and insert "tract".

Page 1, section 1, line 4: Delete "or partial", insert after "disability" "or death" and delete "full time employed".

Page 1, section 1, page 5: After "of a paid" delete "or part paid".

Mr. Kean moved that the message be spread in full upon the minutes. Which motion was adopted.

On motion of Mr. Coleman Assembly No. 2099 was given first reading for the purpose of reenactment in accordance with the Governor's recommendations.

On motion of Mr. Coleman the rules were suspended and Assembly No. 2099 was advanced to second reading by special order, and amended in accordance with the Governor's recommendations.

The following bill was given second reading my special order: Assembly No. 2099, as amended pursuant to the Governor's recommendations.

The Clerk read the following message from the Governor:

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
December 6, 1971.

ASSEMBLY BILL NO. 476

To the General Assembly:

Pursuant to Article, V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 476, without my approval.

Assembly Bill No. 476 would amend sections 18A:16–6.1 and 18A:60–5 of the New Jersey Statutes to allow an employee of a school board or teacher in a State educational institution to be reimbursed for expenses incurred, including counsel fees, in the defense of administrative charges in the event that such charges are disposed of favorably with respect to said employee.

The existing right to counsel fees and costs resulting from the defense of criminal charges arising out of or incidental to a school board or State educational institution employee's duties when the employee is exonerated is a necessary financial safeguard to protect those employees. The Statement appended to Assembly Bill No. 476 indicates the proposal to reimburse for the costs of defending administrative charges is analogous to the existing law regarding costs resulting from a criminal action. I do not believe that this is a valid analogy. Criminal charges are brought by the State before a court of law and are always of a serious nature and are adversary proceedings. Administrative charges, on the other hand, are brought by a local board and may be heard by the Commissioner of Education or the Chancellor of Higher Education. The charges may involve varying degrees of seriousness and may not necessitate advice of counsel.

I believe that the procedures followed under the Civil Service Title 11 of the New Jersey Statutes should be followed here. The Supreme Court of New Jersey has repeatedly found that under N. J. S. A. 11:15–6 the Civil Service Commission has broad discretionary authority as to the relief it may grant to an appealing employee whose position is sustained. This discretionary authority to award costs if applied to the instant proposal would provide adequate protection to the wrongfully accused school board or State educational institution employee.

Since I am recommending that the authority to reimburse employees for costs incurred in the defense of administrative charges resolved in their favor be made discretionary rather than mandatory, it would be appropriate to separate this provision from that which deals with reimbursement relative to criminal actions. That can be accomplished by amending those sections of Title 18A dealing with the hearing power of the Commissioner of Education and the Chancellor of Higher Education.

I am therefore requesting that a new proposal be developed for introduction in January which will accomplish those ends which I have recommended.

Accordingly, I herewith return Assembly Bill No. 476, without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Mr. Kean moved that the message be spread in full upon the minutes.

Which motion was adopted.

The Clerk read the following message from the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
December 6, 1971.

ASSEMBLY BILL NO. 2312

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 2312, without my approval.

This bill would change the date by which a municipality must approve its annual budget from February 10 to February 20 of the fiscal year. Additionally, the date by which the mayor must submit his recommended budget to the council would change from January 15 to January 25.

The present budget timetable has been functioning adequately for many years, and I see no reason to approve any change in the timetable. Furthermore, the granting of this change would necessitate additional legislation amending the dates for the filing of annual financial statements and budgetary filing with the county boards of taxation.

The following sections would have to be amended:

40A:5–12	Annual Financial Statement
40A:4–10	Adoption of Budget
40A:4–11	Budget transmitted to County Board
40A:4–18	Table of Aggregate for late budgets
54:4–52	Table of Aggregate for county
54:4–64	Delivery of tax bills.

Accordingly, I herewith return Assembly Bill No. 2312, without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

Assemblymen Dawes, Dickey, Florio and Mr. Robert E. Combs, Citizen Member.

The Clerk read a message from the Senate that the Senate has passed the following Assembly bills:

Assembly Nos. 1136 and 2096, both reenacted pursuant to the Governor's recommendations and Assembly Concurrent Resolution No. 2047,

Which bills were ordered held for delivery to the Governor and the Concurrent Resolution for delivery to the Secretary of State.

The Clerk read the following messages from the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 11, 1972.

ASSEMBLY BILL NO. 167

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 167, without my approval.

Assembly Bill No. 167 would give the holder of an exempt fireman's certificate issued pursuant to Revised Statutes 40:47–52 to Revised Statutes 40:47–58 a 5-point preference in competitive Civil Service examinations for original appointment to positions in municipal fire departments.

While exempt firemen play an important role in providing protection for our communities, I do not believe this type of preference in open competitive examinations is desirable.

Accordingly, I herewith return Assembly Bill No. 167, without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 11, 1972.

ASSEMBLY BILL NO. 489 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 489 (OCR), without my approval.

This bill would authorize the Commissioner of Transportation to extend State Highway Route 17 from its junction with a traffic circle on State Route 3 in the Township of Lyndhurst to the city of Newark. There is no traffic circle on Route 3 in the Township of Lyndhurst and the bill is deficient in that regard.

Our Department of Transportation has advised me that although it has no objection to extending State Highway Route 17 south to the Newark area, it should be on a new alignment south of State Route 3 and designated as a freeway. In addition, the bill is not technically satisfactory because it does not provide control of access, and this failure would cause extensive damage to the existing area from the Route 7 junction in North Arlington south to Newark. And, in any event, any such extension should comply with the Master Plan of the Department of Transportation.

Accordingly, I herewith return Assembly Bill No. 489 (OCR) without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Attest: *Governor.*
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 11, 1972.

ASSEMBLY BILL NO. 682

To the General Assembly:

I am returning herewith pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, Assembly Bill No. 682, without my approval.

This bill would have amended certain statutes pertaining to compensation for "legal newspapers and official advertising." The amendment would have resulted in an unfair reduction in compensation for some printers while not establishing a fair basis for recompense for all publishers of legal newspapers. A new bill will be submitted establishing fair rates for all such publishers.

Accordingly, I am returning herewith, without my approval, Assembly Bill No. 682.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 11, 1972.

ASSEMBLY BILL NO. 893

To the General Assembly:

I am returning herewith pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, Assembly Bill No. 893, without my approval.

This bill would require the filing of a bond prior to the commencement of the operation of a collection agency and would have imposed certain other restrictions on the operation of collection agencies. Administrative responsibilities would have been placed in the office of the Secretary of State.

This bill is considerably weaker than two other bills introduced in the last Legislature and does not meet the required needs. Accordingly meaningful legislation to control these operations is necessary and will be proposed.

Accordingly, I am returning herewith, without my approval, Assembly Bill No. 893.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.
Attest:
/s/ JEAN E. MULFORD.
Acting Secretary to the Governor.

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT,
January 11, 1972.

ASSEMBLY BILL NO. 2354 (OCR)

To the General Assembly:

Pursuant to Article V, Section I, Paragraph 14(a) of the Constitution, I herewith return Assembly Bill No. 2354 (OCR), without my approval.

This bill would authorize certain local governmental units to enter into contracts to engage in cooperative data processing.

This is a worthy proposal and would be of benefit to the citizens of the affected governmental units. Unfortunately, certain technical deficiencies prevent my signing this legislation in its present form. I am informed by interested legislators that the proposal embodied in Assembly Bill No. 2354 (OCR) will be introduced in amended form in the 1972-73 legislative session, and I would hope for prompt action thereon.

Accordingly, I herewith return Assembly Bill No. 2354 (OCR), without my approval.

Respectfully,

[SEAL] /s/ WILLIAM T. CAHILL,
Governor.

Attest:
/s/ JEAN E. MULFORD,
Acting Secretary to the Governor.

To be a member of the Commission to Study the scarcity of State Government news coverage by the New York and Philadelphia news media, created pursuant to Assembly Concurrent Resolution No. 2047.

Assemblywoman Cox (Citizen member)

Assemblymen Ronald Owens, Paul Policastro and Henry Gavan (Citizen members)

The Speaker announced that the new legislative session would begin at 2:30 p.m. and that the Governor would address the joint session at 3:30 p.m.

A message was received from the Secretary of the Senate as follows—and was read by the Clerk.

STATE OF NEW JERSEY,
SENATE CHAMBER,
January 11, 1972.

Mr. Speaker:

I am directed by the Senate to inform the General Assembly that the Senate has passed the following resolution:

Resolved by the Senate (the General Assembly concurring):

That the One Hundred Ninety-Fourth Session of the Legislature adjourn *sine die* at 11:59 a.m., January 11, 1972.

In which the concurrence of the General Assembly is requested.

HENRY H. PATTERSON,
Secretary of the Senate.
